West Marin Voters Pass School Tax Hike

PRESS OF PROGRESS

Down comes historic office building adjacent to the east wall of the Independent-Journal plant on Fifth Avenue, San Rafael, to make way for expansion to house a larger printing press. The office building, once headquarters of Marin Municipal Water Co. was recently purchased from the City of San Rafael which once used it for its department of public works. Ghilotti Brothers of San Rafael are doing the demolition.

De Gaulle Asks Better French, Mexican Ties

General Says Plan Won't Hurt U.S. Relations

MEXICO CITY (AP)—President that France and Mexico join in a big exchange program but says it wouldn't cut into Mexican relations with the United States.

De Gaulle told a joint session of the Mexican Congress yesterday that Latin America is forging into "the foreground of the stage of world affairs." He made clear that he wants to increase French influence in the region.

The 73-year-old French leader suggested Mexico and France begin a large-scale program of scientific, cultural and technical exchanges and become "true and good companions in the work of civilization."

"Without a doubt such a rapprochement implies that the aim, the attitude, the action, in a word the policy of Mexico City and Paris, should not only be prevented from diverging but actually should be attuned," he said.

Before Congress and at a presidential luncheon at the National Palace, de Gaulle tried to ease fears in Washington that his visit might affect the closeness of U.S.-Mexican relations.

Any special relations between Mexico and France, he said at the luncheon, are not intended "to put an end or even to diminish the relations that bind us to our neighbors."

Before Congress he spoke of "Mexico which, without in any way underestimating the fact that her massive relations with her great northern neighbor are both natural and fertile, still feels attracted toward the European countries by all kinds of affinities and, in the first place, may I dare add, attracted to my own country."

Rights Group Picketing In Mill Valley

Daily picketing and "continuing negotiation tactics" were started today by Marin Congress of Racial Equality in a civil rights step-up in front of Ted Gibson Realtor, 328 Miller Avenue, Mill Valley.

"We feel there has been no progress in negotiations in the five weeks since we began picketing," said Douglas Quiett, CORE chairman, and added, "we are also considering other tactics."

Quiett said picketing has been on week ends only and will now be daily.

He said continuing negotiation tactics means pickets will walk into the Gibson office at the beginning of each picket shift change and ask that Gibson "consider our demands more seriously." There will be one shift per day Monday through Friday and three shifts per day on Saturday and Sunday.

CORE, which claims Gibson has shown discrimination to Negroes in the showing of homes, is asking him to display a fair housing decal in his window, advertise as a fair housing real estate broker, and make a general statement that he will no longer discriminate.

CORE picketed Walburn Realty at 90 East Blithedale Avenue last fall and stopped after Mrs. Mat Walburn agreed to some of its requests.

ORCHARD FILES FOR CONGRESS

Merle P. Orchard, 44, Ukiah attorney, files his papers in San Rafael today for Democratic nomination for Congress. He tackles George E. McCabe, Sonoma educator, in the June 2 primary. Winner of that contest will run against incumbent Don H. Clausen (R-Crescent City) in November. Orchard was accompanied by his key Marin backers, Samuel W. Gardiner Jr., Joseph A. Forest, John E. Cascone, and William C. Rautio.

District Turns Out In Force

Voters in the West Marin School District turned out in force yesterday to give strong approval to a increase from $1.60 to $2.40 per $100 assessed valuation in the operating tax rate limit.

Out of 718 eligible, 432 or 60 per cent went to the polls. Vote was 284 in favor of the increase and 148 opposed. This is a 65.8 per cent endorsement. A simple majority was all that was needed for passage.

CREDIT GIVEN

Supt. Howard F. Brose credited work of a citizen committee, particularly its pre-election phone campaign, with getting out the vote. The committee was headed by Mrs. Frank P. Myer of Inverness and Fred P. Rodoni of Point Reyes Station.

There were 245 voting at the Point Reyes Station polling place with 172 in favor and 73 against, an endorsement of 70 per cent.

In Inverness, 187 went to the polls with 112 in favor and 75 against, an endorsement of 59 per cent.

ABSENTEE BALLOTS

Brose said a few absentee votes, mostly from Inverness residents, are still to be counted.

In addition to the current $1.60 operating tax, the district has 56 cents in override taxes, including 22 cents for bond interest and redemption. This brings the total current tax to $2.16 per $100 assessed valuation. When the new limit goes into effect next fiscal year, the total tax could go as high as $2.74.

Russ Again Refuse Release Of Airman

BERLIN (AP) — The Soviets today refused a second American request for the release of an injured U.S. flier from a Soviet military hospital at Magdeburg, East Germany.

The injured officer, Lt. Harold W. Welch of Detroit, was visited by Col. John A. Hennessen Jr., a surgical specialist from Air Force headquarters at Wiesbaden.

A request by Hennessen that Welch be released for return to U.S. control was denied, a U.S. Air Force spokesman said.

The Soviets said they would consider the surgeon's request to return to see Welch, the spokesman added.

Welch is one of three airmen who parachuted into East Germany March 10 after their reconnaissance bomber was shot down by a Soviet fighter plane. The Soviets charged the men were on a spying mission and held all three. The United States has said the plane strayed over East Germany by accident.

The first request for Welch's return was made earlier this week.

Welch was visited by a U.S. Air Force doctor Monday night.

Russians Launch Cosmos Satellite

MOSCOW (UPI)—The Soviet Union today launched the 26th unmanned satellite in its Cosmos series, the official news agency Tass announced.

Tass said the satellite carries scientific instrumentation designed to continue studies in outer space.

The Cosmos program was launched a year ago by Soviet scientists to pave the way for more manned space flights.

Squirrel Story In Happy Ending

SACRAMENTO (UPI) — Last year Assemblyman George Zenovich (D-Fresno) led a drive to capture six squirrels in State Capitol Park and transfer them to Fresno County Courthouse Park, where the species was nearly extinct.

Today Zenovich presented his first annual squirrel report to the full Assembly.

"I am very happy to announce that the superintendent of the park saw two baby squirrels yesterday," Zenovich said. "I have cigars."

Mayor Micou Indicates Pay Bid All Wet

Sausalito attorney Harry S. Wainright has asked Mayor Paul Micou for city remuneration for serving as counsel to former Police Chief Howard Goerndt during Sausalito Board of Review hearings on Goerndt's ouster last fall.

Micou, it was reported last night to the city council, replied to Wainwright: "I suggest you jump in the bay."

Councilman Jan Paul Dyk, reporting on the affair in the absence of the mayor, said Micou had written to Wainwright saying it had been stated he would serve the employees without charge "and I think it's worth every cent of it. The city doesn't owe you anything and you know it. I suggest you jump in the bay."

Wainwright in his letter told Micou that City Atty. Leland H. Jordan was paid, Thomas C. Nelson, attorney for the board of review was paid, and he felt he should be paid.

Wainwright did not submit a bill for a specific sum.

Councilman Michael Harris said, "I suggest we send word to Wainwright, who is now in Europe, that he not count on this money for European travel money."

Corte Maderan Critical In Berkeley Accident

A Corte Madera man was in critical condition today in an Oakland hospital after a hit-run auto crash yesterday in Berkeley.

James F. Kutz Jr., of 26 Enterprise Drive suffered a skull fracture and possible internal injuries when he was hurled out of his car onto the street.

A spokesman for Oakland's Kaiser Hospital said his condition was slightly improved today.

Kutz, a teacher at Woodrow Wilson Junior High School in Oakland, was eastbound on Alcatraz Avenue in Berkeley when his car was hit by a car going north on King Street at 8:03 a.m.

Alcatraz Avenue is a through street, according to Berkeley Police.

Kutz was thrown out bleeding and unconscious on the street. The driver of the other car stopped, told bystanders he was going to call an ambulance, then disappeared.

U.S., Panama Mediation Ends

WASHINGTON (AP) — Efforts to mediate the U.S.-Panamanian dispute were abandoned today by the special conciliatory commission of the Organization of American States.

This was announced by Ambassador Juan Plate of Paraguay, chairman of the commission established to investigate the dispute and try to reconcile the two nations.

After a series of meetings Plate's commission concluded its mediation efforts "had been frustrated."

Legislature Again Asked For Judge

The Marin County Board of Supervisors yesterday asked the state legislature to approve a fourth department for the Marin County Superior Court.

The legislature approved such a measure last year, but it was vetoed by Gov. Edmund G. Brown on advice of chairman Phil S. Gibson of the State Judicial Council.

County Administrator Alan Bruce said Gibson has changed his position.

Bruce added, however, that statistics showed that Marin judges handle fewer cases than do judges in other counties.

The board action was requested by attorney Peter Allen Smith, president of the Marin County Bar Assn.

Bagley Files Papers; Completing 2nd Term

Assemblyman William T. Bagley, 35, (R-San Rafael), representing Marin and Sonoma Counties in the state Legislature, filed his nomination papers for re-election in San Rafael today, then drove immediately to Sacramento to resume his duties.

A native of Marin, Bagley is partner in the Rafael law firm of Bagley, Bernt and Bianchi. He is completing his second two-year term in the Assembly.

"My primary goal in government is the protection and implementation of individual rights in all fields," Bagley declared. "My concern has been and will be for the protection of economic rights—for less governmental expenditure and for less regulation of private business."

"Secondly, my concern is in the field of political rights—to insure the voice of every individual in government through election law reform, and to insure against 'boss control' in our legislative processes.

"Thirdly, as a correlative right in our society, I recognize the need of and have worked for progress in the field of human rights. I shall continue to do so."

The assemblyman said he rejects "extremism of both the right and the left."

Bagley has been a member of the Republican economy bloc task force, and has been an opposition leader against what he terms "the growing boss control within the Assembly."

"The current demand for more state monies for local school aid is a legitimate one and I support it," Bagley declared. "However, unless major cutbacks are made in other fields, money is simply not available from the current Administration without another round of tax increases. I shall continue to fight for these cutbacks so that money can be made presently available and be devoted to education purposes."

Newspaper In Peru Says Indians Bombed

LIMA, Peru (AP)—Newspapers reported today that air force planes bombed and strafed Indians besieging a group of road engineers in the Amazon jungles.

The newspaper La Cronica said pilots "were obliged to use their machine guns and drop 20-pound bombs" after they found the Indians had closed the circle around the engineers and that the expedition was penned in an area about 30 by 90 feet.

Johnson Labor Talks

WASHINGTON (UPI) — President Lyndon B. Johnson will seek closer ties with labor next week in appearances before two union groups. He is lined up to speak Monday at the United Auto Workers' convention in Atlantic City, N.J. Tuesday is scheduled to address delegates at the Washington legislative conference of the AFL-CIO building trades department.

Johnson Shelves 'New Look' For Foreign Aid Measure

WASHINGTON (AP) — President Lyndon B. Johnson's plans to give the controversial foreign aid bill a new look were shelved after a quiet little White House dinner about six weeks ago, a high source reports.

The main decision involved whether to split the economic aid program from the military aid program and present them to Congress separately. The idea was to change the image of the program and make it more palatable to congressmen and voters.

Secretary of Defense Robert S. McNamara led off the after-dinner discussion by stating the case for making military aid separate, a source who was present said.

He was followed by others who favored this approach, among them Sen. J. William Fulbright (D-Ark.) Chairman of the Senate Foreign Relations Committee.

The case for splitting economic and military aid proceeded smoothly as though the decision were "on the rails," the source said, until the president called on Rep. Thomas E. Morgan (D-Pa.) chairman of the House foreign affairs committee.

"Mr. President, if you want to lose the foreign-aid bill on the floor of the House, then fragment it," Morgan told Johnson.

Morgan then repeated his long-held views that the military assistance portion of the foreign aid bill is the only thing that gets it through Congress each year, and that to separate the two sections would be an open invitation to the program's foes to decimate the economic aid, or "foreign aid giveaway," as they call it.

Other important voices backed Morgan's view, the source said.

President Johnson's foreign aid message is due to arrive on Capitol Hill tomorrow, and he is expected to ask for about 3.4 billion dollars in one package for the program this year. President John F. Kennedy asked for 4.5 billion dollars last year, but the House slashed it to 3 billion dollars.

U.S. STAKES HOPES ON VIETNAM PLAN

Southeast Asian Country Pledges To Use Stepped Up Aid To Fight Communists

WASHINGTON (UPI) — The United States is staking its hopes of saving Southeast Asia from the Communists on South Vietnam's pledge to use stepped up American aid—possibly as much as 50 million dollars worth — in a plan to clear the Red-infested Mekong Delta.

The White House announced the increase in economic and military aid to South Vietnam yesterday after President Lyndon B. Johnson met with the National Security Council to hear a detailed report on the status of the long and bloody war against the Communist Viet Cong guerrillas.

The present rate of aid to South Vietnam is 1.5 million dollars a day.

The president and the council heard a report from Defense Secretary Robert S. McNamara and Gen. Maxwell D. Taylor, chairman of the joint chiefs of staff, who returned last week from Saigon.

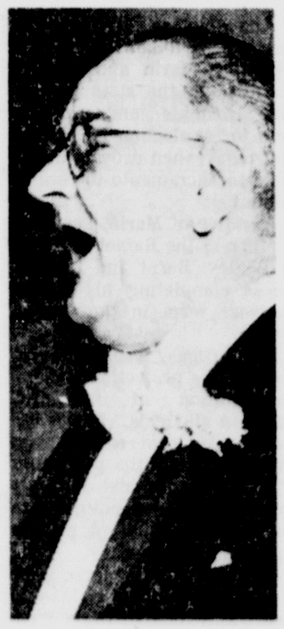

Admitting that there have "questionably been setbacks" in the war, the White House blamed two factors: Increased shipments of arms and men to the Viet Cong, and the confusion created by the changes in government in South Vietnam.

The White House said that to counteract this it planned to bolster the government with new infusions of economic aid and an increased military training program. The increase in aid will be tied to a battle plan devised by Maj. Gen. Nguyen Khanh, new head of the South Vietnamese government.

Khanh plans to put into effect a "national mobilization" program which would set up a stronger anti-guerrilla military force and put all Vietnamese in certain age groups into jobs that would aid the war effort.

Khanh's plan was described by the White House as "recognizing to a far greater degree than before the crucial role of economic and social, as well as military, action to ensure that areas cleared of the Viet Cong survive and prosper in freedom."

In what was termed a "step by step and province by province" drive against the guerrillas, the White House said Khanh planned to follow up his army with administrators health workers and teachers. This will involve "substantial increases in cost to the South Vietnamese economy," the White House said, and will be offset partly by the new U.S. aid.

Johnson 'Irishman By Osmosis,' He Says At Dinner

NEW YORK (AP) — A self-styled "Irishman by osmosis," President Lyndon B. Johnson told a St. Patrick's Day dinner "I have found our nation's greatest strength lies in the dream of America—America, the land of hope; America, the land of opportunity.

"All the slings and arrows of our opponents in the world have never succeeded in destroying that image," he said last night.

Johnson spoke to more than 2,500 members of the Friendly Sons of St. Patrick in the Waldorf-Astoria Hotel.

Explaining why he is Irish by osmosis, the president spoke of the Irishmen in high government places—associates in the White House, the Senate Democratic leader.

"I woke up this morning," he said with a smile, "and suddenly realized that the Irish have taken over the government. And I like it."

$1.8 BILLION LOST IN 3 YEARS

Military Air Crashes Costly

WASHINGTON (AP) — More than 1.8 billion dollars in U.S. military planes have been lost or badly damaged in crashes over the past three years, it was learned today.

Pilot error and "material failure" were listed as the chief causes in more than 2,000 major military aircraft accidents in 1961-1963.

This data was contained in an analysis provided by the Defense Department. The report was asked in connected with a running dispute over the relative reliability of missiles and manned aircraft.

Critics of U.S. missiles systems have suggested, among other things, that there is much more assurance about the reliability of manned aircraft because of many years of experienec and thousands and thousands and thousands of flights.

The Pentagon report said the Air Force suffered about 1,100 major accidents over the past three years causing damage totaling 1.1 billion dollars. This averages out to about one million dollars per accident.

During that same period more than 900 Navy and Marine Corps planes sustained major damage or were destroyed. The dollar estimate: something over 700 million dollars.

The Army, which uses mainly helicopters and other relatively inexpensive aircraft, reported more than 200 major accidents with 27 million dollars in damages.

In a rundown of causes, the Navy said human error was responsible for 60 per cent of all accidents to Navy and Marine Corps aircraft. Pilot error was blamed for 48 per cent and 12 per cent by "other persons."

Material failure accounted for 28 per cent, weather base facilities and miscellaneous causes the rest.

The Air Force said pilot error caused 31 per cent of its accidents, material failure 39 per cent, weather 1 per cent, maintenance 8 per cent, supervision 5 per cent and the remainder undetermined and miscellaneous.

Army statistics, which were not broken down, were reported to show crew error as a main cause of accidents, material failure as the second cause and maintenance and weather following in that order.

"All the services have vigorous accident prevention or safety programs," the Pentagon said. It claimed that Air Force and Navy accident rates have been on a declining curve since the 1920s.

WIRE NEWS BRIEFS From Everywhere

Girl Flees Cuba As A Man

MIAMI, Fla. (AP)—A pretty refugee said today she fled Cuba by stowing away on a cargo ship dressed as a man.

The petite brunette, Nelida Del Pilar Fernandez, 21, said she was aboard the Lebanese vessel Toula, carrying Greek crewmen, when it left Havana last November.

In British Honduras, she was discovered, the stowaway said, but was permitted to continue after the ship's captain paid a fine for her. She said she left the ship in Jamaica and was there three months.

She was one of 41 refugees arriving in Miami yesterday.

Public Service Strike Hits France

PARIS (AP)—France's public services were hard hit by a 24-hour strike today.

Estimates of the number on strike ranged from several hundred thousand to 6 million. The Communist-led General Workers Confederation took the leading role in the walkout for higher wages, but many Catholic and Socialist workers joined in.

May Cross Line, Nehru Says

NEW DELHI, India (AP)—Prime Minister Nehru told a cheering Parliament today that Indian troops will cross the cease-fire line in Kashmir if necessary to defend Indian territory against Pakistan.

"We are not prepared to go across the cease-fire line and attack the territory now under Pakistan occupation," Nehru said, "but obviously if it becomes necessary in the defense of our territory for them (Indian troops) to cross the line, then they will cross it."

Nehru's statement was the strongest made by any top official since the recent outbreak of skirmishing and raids across the cease-fire line in the disputed Himalayan state.

Flood Nears Paducah, Kentucky

LOUISVILLE, Ky. (AP) — Paducah, last major city along the overflowing Ohio River, prepared for a crest nearly nine feet above flood stage today but counted on its wall to prevent major damage.

Floods which began a week ago along the river, a 981-mile-long transportation link in the country's midland, caused 100 million dollars or more in damages, took 15 lives and affected 110,000 persons.

President Lyndon B. Johnson yesterday authorized $250,000 to Kentucky and Indiana, the first step in federal aid, to restore public facilities.

Loans To Turkey

NLRB Has Its Busiest Year

CHICAGO (AP)—Unfair labor practice charges recorded by the National Labor Relations Board in fiscal 1963 hit an all-time high of 25,371 cases.

It was the busiest year in the board's 29-year history.

Back pay awarded to 6,965 employees amounted to almost 2.7 million dollars during the year.

Unions initiated 45 per cent of the charges, individual employees 39 per cent and employers 16 per cent.

Kentucky Measure Carries Much Weight

FRANKFORT, Ky. (AP)—Senate Bill No. 50, introduced in the Kentucky legislature, carried some weight—exactly four and one-half pounds.

The 377-page document updated Kentucky statutes for the first time since 1942.

Lie Detector Use Is Under House Probe

WASHINGTON (UPI) — The House information subcommittee is going to look into the government's use of lie detectors, a practice reported to be so widespread that it extends to South Vietnam.

At the public hearings April 7-9, the subcommittee also may examine the increasing use of polygraphs in private industry to check on employees and interview job applicants.

SURVEY MADE

Rep. Cornelius Gallagher (D-N.J.), who sparked the inquiry, said he had been notified by Chairman John E. Moss (D-Calif.) of the decision to go ahead with hearings aimed at developing standard rules to cover operation of lie detectors.

After Gallagher made a preliminary investigation of his own, the subcommittee staff conducted an extensive survey on the use of lie detectors within the federal government. It found that:

During the year ending June 30, 1963, federal agencies performed 23,122 lie detector tests.

There are 656 "authorized polygraph operators" in the government whose qualifications range from a high school diploma to a Ph.D degree. While experts disagree on the effectiveness of the lie detector, virtually all experts agree that the device is only as good as the judgment and interpretation of its operator.

Of the 24 federal agencies that permit use of lie detectors, only seven have formal regulations governing their use.

USE OF TESTS

Since the survey was made, it has been reported that U.S. military advisers in South Vietnam have been using polygraph tests to determine whether native troops are loyal to the Saigon government.

Gallagher told a reporter that he hoped the subcommittee looked into this matter as well as into last year's situation in which 3,494 Cuban refugees were given lie detector tests prior to their enlistment in the U.S. Army.

After collecting information on what uniform standards should be applied to use of lie detectors in the government, Gallagher would like the investigation to expand and find out how extensively the machcines are being used in private industry.

Russian Appeals Ruling For Fraud

MOSCOW (UPI) — Arkady Grinberg, 67-year-old leader of a 6.6-million-dollar fraud ring, today appealed the death sentence he was given yesterday in Moscow's second major economic crimes trial in recent weeks.

Grinberg was the only defendant sentenced to death. Twelve other members of the ring were given prison sentences of from one to 15 years, and eight other persons were acquitted.

Eight of the defendants in the Grinberg case were identified as Jews. The predominance of Jews in the earlier case brought criticism from abroad, but the Soviet government denied anti-Semitism was involved.

According to the charges, Grinberg ordered yarn from a Soviet cotton factory in the City of Tomsk and sold it to a knitting factory in Lvov. The yarn was obtained through orders illegally issued on behalf of Communist Party organizations.

The ring operated from 1956 to 1962, and during that time did a business totaling 6.6 million dollars. Grinberg was said to have made a personal profit of more than $152,000.

WHEN CAR MEETS ROAD ROLLER

Eugene France Burch, 41, of Belmont dozed at the wheel of car at right as he drove south on Highway 101 just south of the Black Point Cutoff interchange at 7:15 a.m. today, according to the California Highway Patrol. His car left the highway and met the parked road roller at left head-on. Burch, who emerged with only scratches, said he had been traveling for 18 hours and dozed.

Fairfax School Budget Probed After Defeats

Stumped by two bond issue defeats in the past year, the Fairfax School District Board last night started consideration of the district's 1964-65 budget.

Supt. Homer Sisk said the board is considering using portable classrooms and increasing the teaching staff.

The portable classrooms could be financed with $145,000 in bonds approved in 1956, but teaching salaries would have to come from the budget, Sisk said.

"The largest increase in the budget will be in the teachers salary account," he said.

Two more teachers will be needed because of enrollment growth, and another kindergarten teacher may be hired, Sisk said.

The kindergarten ratio is now 35 pupils to a teacher and there is a waiting list, he said. "We would like to cut that ratio." The district aims at a ratio of 30-1, he said.

Trustees set for April 7 an adjourned meeting to review the preliminary budget.

The Fairfax School District Board also:

1. Employed the firm of Dalton, Graypner and Barber of San Rafael to audit the financial accounts of the district.

2. Received a report from George Stone that the Citizens Committee for Schools is working on voter registration.

3. Received a report from Ray Barnes that the Citizens Committee Study Group has been inspecting potential school sites west of Fairfax and south of Deer Park School.

4. Received a report from Sisk and William Lemley, teacher at Deer Park School, on the district's English program.

5. Received a report from Bruce McDonald, principal of Deer Park School; Kenneth Lucas, principal of Manor School, and Thomas Kelly, principal of Fairfax Central School, on results of the state testing program covering capacity and achievement. Sisk said generally pupils are achieving up to their capacity.

6. Received a report from Nyal Worsham, teacher at Fairfax Central School, on the Central School and Marin County Science fairs.

VOTE

Continued from Page 1

in the tax limit because of loss in assessed valuation due to federal purchase of land in the district for the Point Reyes National Seashore. This loss, totalling $860,000 is assessed value, will come over a three year period—a period in which the district's cost will increase.

The 60 per cent turnout was unusually high in the record of school district voting throughout Marin.

Dr. Rudolph S. Kupfer, assistant superintendent in the county schools office, said the turnout was one of the highest in recent school tax and bond elections.

In recent months, voter turnout has ranged from a low of 26 per cent in Tamalpais Union High School District to a high of 70 per cent in the Tomales Joint Union High School District. The latter district, incidentally, includes the West Marin School District.

Augmented School Group To Discuss San Rafael Plan

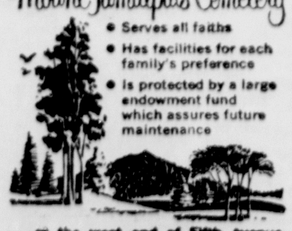

Members of the Marin County Committee on School District Organization, augmented by reprsentatives of school districts in the Novato-San Rafael study area, will meet at 8 p.m. today at the Lynwood School in Novato to discuss proposals for school district unification in the area.

Under discussion will be the recommendation by the study firm of Booz-Allen and Hamilton that two unified districts be created: one of the present San Rafael and Dixie Elementary School Districts, the other of the present San Jose Elementary and Novato Unified Districts. This would split the San Rafael High School District between the two.

A supplementary report from the study firm considers the effects on school enrollment and financing of this and several other unification proposals for the area.

Bitten By Dog

Mrs. Helene Laughead of 10 Glen Drive, Mill Valley, reported to police at 11:15 p.m. yesterday that at about 6 p.m. she was bitten by a dog while shopping in a Mill Valley market.

Escaper's Burglary Trial Begins

Jury trial of Melvin Paul Barkmeier, 28, charged with two counts of burglary in San Rafael last Jan. 11, began yesterday in Marin Superior Court.

Barkmeier, 15 Mariposa Road, San Rafael, an unemployed male nurse and escaper from Chico State Prison, allegedly entered the home of an acquaintance, Forrest Mitchell, 37 Stevens Place, by raising a south bedroom window, then grappled with the baby-sitter, Sharon Lea Bell, 12, daughter of Mr. and Mrs. James Bell, 331 C Street.

The girl fled. Shortly after, Mrs. Elizabeth M. Schaefer, 708 Mission Avenue, said a man entered her unlocked front door, went upstairs and took two stamp books from a dresser.

Barkmeier, accused in both incidents, and George William Albright, 28, escaped from Camp Minnewawa in San Diego County June 28, 1963, records show. Albright is still at large.

$200,000 In Building Bonds Backed

The Larkspur-Corte Madera Junior Chamber of Commerce last night went on record as favoring the $200,000 bond issue in Corte Madera for construction of public safety buildings.

Mayor Edward W. Colthurst pointed out that seven members of the police department are working in a 12-by-12 foot area which also houses teletype equipment and filing cabinets.

Workers in the town annex and corporation yard use the same toilet facilities, which is violation of sanitation codes, Colthurst said. "If the April 14 bond issue is successful, a new public safety building would be built and the present fire and police building would be remodeled to hold city offices.

Transit District Clears Committee

SACRAMENTO (AP)—A Marin County Transit District waited today for a vote on the Assembly floor after being sent there by the lower house transportation and commerce committee.

The bill by Assemblyman William T. Bagley (R-San Rafael) would set up, if voters approve, a district with power to levy a maximum five-cent tax for each $100 of assessed valuation.

Barry Says Tax Cut Buying Votes

CHICO (AP) — Campaigning Sen. Barry Goldwater said today President Lyndon B. Johnson evidently hopes to "buy votes" with the 11.5-million-dollar tax cut enacted by Congress but he also "will be buying economic trouble."

In an economic statement issued at Chico, the Arizona senator said if Johnson "really wants to help the economy he should turn off some of his spending program."

Goldwater said the tax cut sponsored by the administration already "is being eaten up by inflation."

OBITUARIES

Marion C. Beeman Dies At 79

Marion Chester Beeman of 30 Latham Street, San Rafael, a retired Pacific Gas and Electric Co. employee, died at a local hospital yesterday. He was 79 years old.

He was a native of Carlton, Ill. He moved to Marin County 38 years ago, got a job as warehousman with PG&E, and worked for the company until retirement in 1949. He was a life associate member of the Pacific Service Employees Assn.

On May 7, 1961, Beeman and his wife, Minnie E. Beeman who survives him, were getting ready to celebrate their 50th wedding anniversary the next day, when Mrs. Beeman suffered a heart attack. The anniversary was marked at the hospital where Mrs. Beeman made her recovery.

The couple married in a buggy in Oklahoma. They were from neighboring counties, and they could not decide which county to be married in. They resolved the dispute by being married in the buggy which straddled the county line.

In addition to his wife, Beeman leaves a daughter, Mrs. Marie Tillson of San Rafael; two sons, Chester H. Beeman of San Anselmo and M. L. (Pete) Beeman of San Rafael; four brothers, Jake and Harry Beeman of Coffeeville, Kan., Ora Beeman of Corpus Christi, Tex., and Norman Beeman of Springfield, Mo., and four grandchildren.

Funeral services will be held at 11 a.m. Friday at Harry M. Williams Mortuary, San Rafael. Burial will be in Mount Tamalpais Cemetery, San Rafael.

MARION CONDON

A Requiem Mass will be offered for Mrs. Marion V. Condon of 46 Lincoln Avenue, San Anselmo, wife of Walter J. Condon, at 9:30 a.m. Thursday at St. Anselm's Church, San Anselmo.

Mrs. Condon, a 42-year resident of Marin, died yesterday at a local hospital after an illness of two weeks.

She was a native of San Francisco.

Surviving are her husband, Walter Condon of San Anselmo, brothers Harold Payton of San Anselmo and Vincent Payton of San Francisco, and sisters Mrs. Anita Gurtler and Mrs. Margarite Smith of San Francisco.

Rosary will be recited at 8 p.m. tomorrow at Chapel of the Hills, San Anselmo. Burial will be at Holy Cross Cemetery, Colma.

FREDA LEVICK

Private funeral service for Mrs. Freda Levick, 70, mother of Mrs. Niels Schultz Jr. of Greenbrae, will be held at N. Gray and Co. in San Francisco tomorrow.

Mrs. Levick, a widow, died yesterday in a Sonoma rest home. She had resided most of her life in San Francisco.

She leaves her daughter and a son, William Latzin of San Francisco, and four grandchildren.

The surviving family members asked that tributes be contributions to the American Cancer Society.

H. S. HENDERSON

Herbert Scott Henderson, 70, of San Francisco, a native of Marin County, died of a heart attack Monday aboard the Italian motorship Allesandro Volta shortly after it left the Panama Canal.

He was on a pleasure cruise with his wife, Martha, headed for Italy. The ship was 60 miles into the Atlantic when he died.

Born in Marin County, he had lived in San Francisco for many years, where he was associated with a number of insurance companies, having founded his own brokerage business about 30 years ago.

Recently, he was associated with Dunn-McPherson, San Francisco.

His body is to be flown back to this country. Funeral arrangements are pending.

MRS. GATCHELL

Funeral for Mrs. Grace Edith Gatchell of 15 Berkeley Avenue, San Anselmo, will be held at 11 a.m. Friday at Chapel of the Hills, San Anselmo.

Mrs. Gatchell, 54, died today at a local hospital after a long illness.

She was a native of Ross.

Surviving are her husband, Joris O. Gatchell of San Anselmo, associated with the Fairfax Lumber Co., and a sister, Mrs. Edna M. Walther of San Anselmo.

Interment will be private.

North Marin Council For Youth Organized

A North Marin council for youth was formed yesterday at a meeting on juvenile delinquency at the Novato Community House.

Richard Nave, president of the Novato Chamber of Commerce, was named chairman of the council, which Supt. Ralph Giovanniello of the San Jose School District suggested should become the nucleus of a countywide committee. Giovanniello was named chairman of a subcommittee to set up goals and aims, to be presented at the next meeting on March 31 and later submitted to the county board of supervisors.

Gilbert R. Guerin of the Novato Unified School District was named to head a subcommittee to investigate whether communications between schools and other agencies are adequate or need to be improved.

Giovanniello suggested a countywide committee could explore and strengthen resources for all the youth in Marin, identify the services available, and to explore work opportunities. He suggested the committee work directly under the board of supervisors, with its "small expenses" paid by the county.

As specific suggestions for youth recreation facilities, Giovanniello offered: development of a small area on Angel Island specifically for teen-age activities, use of school plants as community centers for young people during summer vacations, individually oriented recreational facilities such as golf, tennis, swimming, etc., and encouragement of indoor and outdoor theater for young people.

Other members named to the council were: Gale Ackerman, Mrs. John Machado, Mrs. Lynn Scott, CWO Robert L. Fisher, Mrs. Florence Scott, Mrs. James L. Appleton, Mrs. Martha Greer, Police Chief Robert Di Grazia, Leland C. Livingstone, Mrs. Amy Binnewies, Thomas Griffith, Edmund Mahany, Robert Rankin, Ed Dolan, and Bernard Rick.

Horsemen Planning Easter Services

Novato horsemen will observe Easter Sunday with nonsectarian services, a ride and a breakfast sponsored by Novato Horsemen Juniors.

The services will be conducted at the Novato Horsemen grounds on Bugeia Lane at 8 a.m. by the Rev. James Martin. After the services, riders will tour neighboring ranches, and then have breakfast at the horsemen's club house.

Soldier Training

Pvt. Rayfield Edwards, son of Mrs. Tris V. Edwards, 135 Drake Avenue, Marin City, is scheduled to complete advanced artillery training as a cannoneer at the Army Artillery and Missile Center, Fort Sill, Okla., April 10.

Suit Filed In Tacaloma Trench Deaths

Trial of a combination suit asking over a half million dollars damages in a 1961 trench cave-in near Tocaloma which took the lives of two men and trapped a third began yesterday in Marin Superior Court.

Plaintiffs are Mrs. Clara Bradshaw, widow of Dee H. Bradshaw, 42-year-old Black Point carpenter killed in the accident, and Jamie Brewer, 24, then a Sausalito resident. Mrs. Bradshaw is asking $500,000 for a wrongful death and Brewer, $50,000 personal damages.

The jury case involves a dirt cave-in at a Marin Municipal Water District site on Sept. 18, 1961. Bradshaw, an employee of Don Presco contracting firm of San Rafael, and Thomas Buschfield, 25, a San Rafael laborer for Holtzinger Brothers, a Corte Madera excavation contracting company, both were buried alive and died.

Brewer was trapped in the 12-foot deep trench, but survived.

Defendants in the suit are Marin Municipal Water District, Holtzinger Brothers, Pacific Mechanical Corp., Allen Sumpter, operator of a ditch-digging marching machine, and Don Presco.

Judge Richard M. Sims Jr. is presiding.

Garden Meeting

The Garden Society of Marin will meet Friday at 8 p.m. in Room 40, chemistry building, College of Marin, Kentfield. Guests are welcome, according to president Linton C. Whitby. William L. Kapranos, San Anselmo landscape architect, will be speaker.

MARIN ART FOR AIR FORCE

This painting, "Deterrent," by Ronald McKee of Kentfield is one of 49 paintings of the Air Force documentary art collection which will go on display Friday in the rotunda of the San Francisco City Hall. McKee was one of several Marin County illustrators who participated in the Air Force's program of painting various air bases around the world. The exhibition will remain until April 4.

JEWISH HOSTAGES PLAN IS REVEALED

Nazi 'Mercy Killing' Chief Testifies Resettling May Have Stopped Allied Bombs

LIMBURG, Germany (AP) — Many leading Nazis believed the World War II allies would stop bombing German cities if they knew the cities contained Jewish hostages, a former Hitler co-worker said today.

Dr. Hans Hefelmann, who once headed the so-called "mercy killing" section in Hitler's party chancellory, testified at his trial here that some of his colleagues drew up a plan to resettle Jews in ghettos within the Reich in hopes the allies would then cease their air attacks on civilian and industrial centers.

The plan was dropped, Hefelmann continued, when he and his chancellory colleagues in Berlin worked out another plan to settle millions of Jews from Nazi-occupied Europe on the Indian Ocean island of Madagascar. The idea was to milk millions of dollars from wealthy American Jews who would gladly pay to keep their European brethern out of the gas chambers at Auschwitz concentration camp and similar extermination centers designed for what the Nazis called "the final solution of the Jewish question."

The Madagascar plan was never realized due to Hitler's insistence that the Jews be wiped off the face of the earth.

Hefelmann referred to the various Nazi schemes for dealing with the Jews while testifying about his role in Hitler's "mercy killing" program designed to rid the Reich of mental and physical defectives.

Some of the 200,000 persons who perished at the hands of German physicians associated with the program were healthy Jews classified as defectives in order to speed up their extermination.

The defendant is charged with murdering 73,000 people including 3,000 children.

Bodega Group Going To PUC

SAN FRANCISCO (UPI)—Rebuffed by the State Supreme Court, foes of the proposed nuclear power plant at Bodega Head said today they would take the battle back to the California Public Utilities Commission.

The Supreme Court yesterday refused to block the controversial power project planned by Pacific Gas and Electric Co.

David Personen, executive secretary of the Northern California Association to Preserve Bodega Head, said his group will seek an immediate new hearing by the PUC—which has already turned back one attempt by Personen's group to halt construction of the plant.

Novato Men Soon Toss Out Their Razors

There will be fewer smooth jowls in Novato starting April 1, as the beard contest for Novato Western Weekend officially opens.

This annual "battle of the brush" is one of the highlights of the celebration which has been scheduled for June 17 to 21 this year, according to Charles Marquardt, beard contest chairman.

Slogan for this year's contest is, "throw your razors away and let your wiskers grow where they may."

Entry blanks are available at all Novato barbershops, Marquardt said. They may also be obtained by writing to Beards, P.O. Box 634, Novato.

First prize will be awarded to the man with the longest beard. Other awards will be for Van Dyke, Abe Lincoln, Mutton Chops, Ulysses S. Grant and novelty styles of facial adornment.

Flying Grandfather Is Safe After Crash

REYKJAVIK, Iceland (AP) — Max Conrad, America's flying grandfather, is reported in "fine shape" after being rescued from the Greenland icecape where he crashlanded a single-engine plane yesterday.

It was the 62-year-old pilot's first crash in nearly 14 years of criss-crossing oceans delivering single-engine planes to customers.

San Anselmo Planning 23-Day Summer School

A 23-day summer school program, featuring such courses as modern math, creative writing and folk dancing, will be offered third through seventh graders in the San Anselmo School District this year, the school board decided last night.

District Supt. Stephen Parodi said the school is scheduled to run from June 17 through July 17 at Brookside School, with classes running from 8 a.m. to noon.

The board named Donald Wilson, principal of Sleepy Hollow School, as principal of the summer program, and appointed David Raffo, who teaches seventh and eighth grades at Isabel Cook School, as teaching vice-principal.

About 18 to 20 teachers are expected to be used for the summer school.

Parodi said this year's school will be limited to children within the district. Previous programs had admitted youngsters from adjacent areas, but enrollment has grown since that time, he explained.

Other courses planned include speech fundamentals, French, Spanish, typing, a drama workshop, physical education and remedial classes in reading and arithmetic.

Five Marin Hospitals Accredited

Five Marin County hospitals have again been placed on the list of accredited hospitals prepared by the Joint Commission on Accreditation of Hospitals.

Novato General, Marin General, Ross, San Rafael General and Charles L. Neumiller Hospital at San Quentin were placed on the list that was released today.

Accreditation follows voluntary inspection by doctors appointed by the joint commission.

Dr. Kenneth B. Babcock, director of the joint commission, said the inspection makes sure that an institution is supplying supervision by the medical staff of patient care, special study by the staff of all unusual or complicated cases, adequate medical records, ethical practices, investigation of all tissue removed in operations, proper nursing, proper administration and proper medical staff organization.

$300 Vandal Damage

Winds Threaten To Advance Brush Fires

LOS ANGELES (AP)—Firemen raced today against forecasts of more high winds to secure boundaries of three disastrous brush fires before gusts can churn them up again.

Three wind-whipped fires were contained yesterday after destroying at least 20 homes and charring 11,600 acres of brush.

Gusts up to 100 miles an hour fanned the blazes Monday in the foothills northeast of Los Angeles.

Insurance companies estimate damage at 4 million dollars.

Looking at forecasts of 25 m.p.h. winds for today, County Fire Chief Keith Klinger said: "It's a race against time to make sure that all hot spots are extinguished."

Two hundred firemen remain on the Weldon Canyon area blaze, 20 miles northeast of Los Angeles, where 2,500 acres of watershed were burned over.

Another 300 mopped up hot spots on the severely-hit Burbank-Glendale areas, just 12 miles from downtown Los Angeles in the Verdugo and San Rafael Hills.

All the homes burned were in the vicinity of the two cities, in the 7,000-acre Verdugo Hills fire and the 2,100-acre San Rafael Hills blaze.

The third fire swept to within three-quarters of a mile of the San Fernando Valley community of Granada Hills before firemen held the line. No structures were damaged there.

Damage estimates varied. The County Fire Department said 20 homes were destroyed and 10 severely damaged in the cities of Glendale and Burbank and the Eagle Rock section of Los Angeles.

Foundation For College Student Loans Discussed

The wheels started rolling toward formation of a College of Marin foundation last night.

Attorney Aaron Rucker, a member of the development sub-committee of the College's Citizen Advisory Committee, volunteered to draw up articles of incorporation and by-laws for the proposed foundation.

Its purpose would be to accept and handle gifts to the college for student scholarships and loans. Rucker will present the legal documents to the committee at its April 21 meeting.

Final approval of such a foundation would have to come from the Marin Junior College District Board, of which two members were present at last night's meeting. Also present were three members of the faculty and administration and five members of the committee.

Committee members will submit names of candidates for the proposed 15-member board of directors of the foundation at the April meeting.

Thant Says He'll Run Cyprus Force

UNITED NATIONS, N.Y. (AP) — Secretary-General Thant says the "terms of reference" of the U.N. Cyprus force are no problem. He alone will issue directives and he won't negotiate them with any government.

A spokesman said last night Thant has already sent the commander of the U.N. peace force a set of principles for the force assembling on the Mediterranean island.

Sausalito Chamber Election Unit Named

A. Leonard Bjorklund yesterday appointed a nominating committee for election of board of directors of the Sausalito Chamber of Commerce, to be held in April or May. The committee consists of Russell H. Papenhausen and Bjorklund, board members; Fred Turner, Frank Bosl, and Warren Glass.

Kenneth H. Huck, new police chief, was named an honorary chamber member.

Entertainer Being Sued For Divorce

Owen H. Spann, Sausalito resident and entertainer with radio KNBC in San Francisco, is being sued by his wife, Barbara B., for divorce.

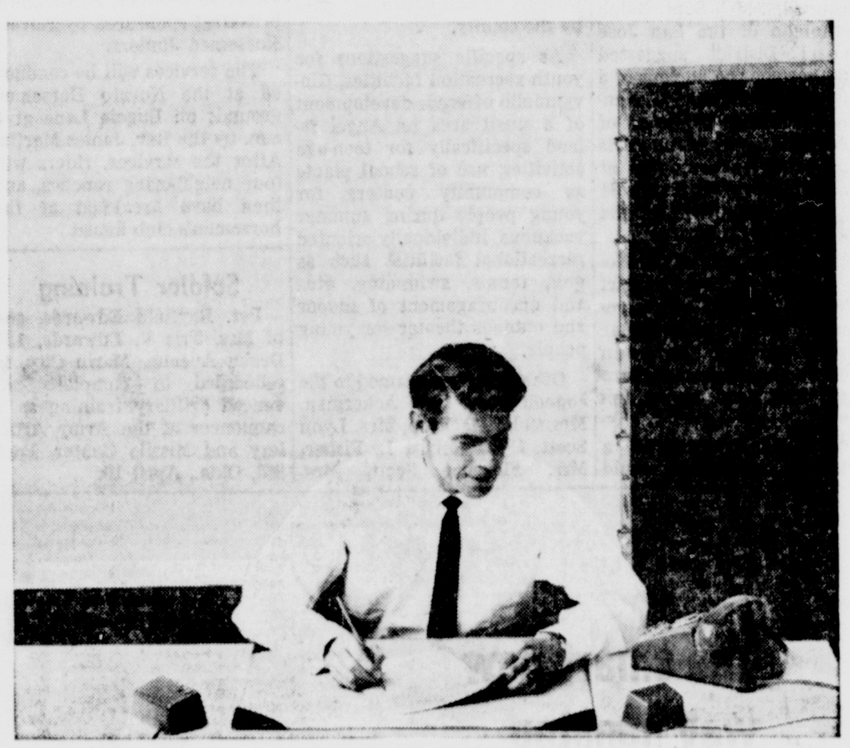

The suit, filed in Marin County clerk's office yesterday, alleges extreme cruelty. The wife asks a "reasonable" share of community property. The couple, childless, have a home at 203 Santa Rosa Avenue.

Sanitary Meeting

Richardson Bay Sanitary District directors will hold an adjourned meeting at 8 p.m. March 31 at Trestle Glen treatment plant to complete unfinished business, Samuel A. Fletcher, secretary, said today.

USEFUL BUT MISPLACED — George Williams receives chest X-ray on minifilm X-ray machine at Marin General Hospital, supervised by nurse Carol Powell. The equipment stands in a hallway at the hospital, unwanted; but the Marin County Health Department, which wants to put it to use, has been unable to get it because the county has not put up the money. (Independent-Journal photo)

Orphan Chest Tester May Soon Be Adopted

By PHIL FRADKIN

An outcast of the medical equipment world may soon find a welcome home.

Alone it sits in the hallway of the emergency ward of Marin General Hospital — in the way of doctors, nurses and about 40 patients who go to the ward for treatment every day.

The hospital no longer has any use for the minifilm chest X-ray quipment. The county health department wants it, and may soon get it.

Asst. County Administrator John H. Barrows said today that supervisors will be asked soon to purchase the expensive piece of equipment, which has a long history.

The camera for the unit was brought by the Marin Tuberculosis and Health Assn. in 1952 for $5,402. The transformer and other equipment was bought jointly by the association and the hospital district for $8,370 in 1957.

The association's share in the machine was turned over to the hospital, which took over operation of the equipment. Lately, the county health department has been reimbursing the hospital for operation costs.

But the hospital does not want the equipment because patients and prospective employees can now be examined by skin tests which cut down the waiting period for results from three weeks to two days.

The county health department wants the equipment. Its roll film for a series of chest X-rays. For patients and employees at the hospital, individual tests are better suited.

Barrows said the $750 purchase price and $2,000 to $3,000 cost for moving and installation will be requested from the board of supervisors either in the 1964-65 budget or sooner by letter.

Arrangements for purchasing the equipment have been worked on for the last nine months. A shortage in funds has forced the county to delay the purchase, according to Barrows.

If the county does not buy the minifilm, the hospital could either store it for the time when funds are available or trade it on a new piece of equipment, according to hospital administrator William W. Turner, who has been asked for recommendations on what to do with the equipment by the district's operations committee.

Box Of Bygone Papers Tells Of Familiar Troubles

NEW YORK (AP)—They opened the box which had been sealed in the cornerstone of the old Times Tower in Times Square yesterday, and read all 12 New York newspapers dated Jan. 18, 1904.

The papers reported trouble in the Far East and Panama. Commuters on the Erie Railroad complained of congestion.

Broadway box-office practices were under fire. Brooklyn police were chasing the Mafia.

There were bloody uprisings in Africa, and editorials told of the dangers of cigarettes.

The box was opened because the Times Tower is being reconstructed as the Allied Chemical Corp Tower.

Of the 12 newspapers only two are still published under the same names — The Times and the Morning Telegraph.

The Morning Telegraph is now a racing paper.

The average age of California farmers is 51.3 years old.

Copter Airline To Pay $60,000 Heliport Rent

San Francisco-Oakland Helicopter Airline, which recently opened service between Marin and San Francisco International Airport, has tentatively agreed to pay $60,000 to the City of San Francisco for a temporary heliport on the roof of a building at Freemont and Mission streets.

The building, the old East Bay Terminal, will replace the present helicopter terminal at the Ferry Building for which the firm has been paying $50 a month rental. The $60,000, according to San Francisco Airport Manager Belford Brown, will be paid to the city in installments, starting at $650 a month and working up to $1,545 at the end of five years.

Brown revealed the tentative agreement at a Public Utilities Commission meeting yesterday.

2 High Schools Seek Better Student Rule

By ELLEN DIETSCHY

More effective student government is the goal of current attempts to revise the constitutions at Redwood and Terra Linda high schools.

The methods of achieving the goal are different, but the variation reflects the problems faced by each student body.

Terra Linda High School student body officers are not confronted with apathy toward student government and its rules, which Redwood High School student leaders claim exist on that campus.

Although there are conflicting opinions about the accuracy of a report in the student newspaper at Redwood which criticized student government as a "laughing stock," there is general agreement that the government was not so effective last semester as it has been this term under the leadership of John Burke, student body president.

"We are working on a handbook for 'self-government members' (the student police force) to help them handle disciplinary problems," Burke said.

"We hope the handbook will help them to be more effective in seeing to it that the rules the student government has made are obeyed."

At Redwood, a student is cited by a member of "self-government" for disobeying a school rule and is obliged to appear before the student court where he enters a plea to the charge.

If he maintains that he is innocent, a trial is held, witnesses are called. If he is found guilty, the student is fined or given detention.

The student constitution is being revised to abolish the legislative assembly and replace it with open meetings which the entire student body may attend, according to Burke.

Under the new system, 40 student body members would comprise a quorum (although there are more than 1,700 in the school), and action would be proposed and voted upon by as many students as wished to take part.

The executive council, another new organ of student government which has been proposed, would review actions taken in the open meeting and have veto power over them.

At Terra Linda High School, the student body officers are working to update the constitution to cope with the problems of the growing student population.

"Presently the student council is unwieldy with a representative of every social studies class on the council in addition to the student body ofifcers, making the group more than 100-strong," Michael Parker, student body president, said.

"We are hoping to have the present executive committee replace the student council so that decisions may be made by the student body officers and only three elected representatives from each grade, more effectively and efficiently."

There is no student court or student police force at Terra Linda, Parker said. Its students believe through student-to-student action, a better job is done of coping with disciplinary problems than through an organized "police force," he reported.

"We do have a student-run clean-up committee," he said. "If there is an excessive amount of littering on the campus, a green flag is raised on campus as a warning that if the problem is not alleviated the next day, the students will not have their regular 10-minutes 'brunch.'"

When the red flag goes up, this is no "brunch" and second and third periods are extended five minutes.

"This form of student government has made a remarkable difference in the appearance of our campus and we have even been commended by the school board for our action," Parker concluded.

U.S. Would Gain In Data, Seaborg Says

PITTSBURGH (AP)—Dr. Glenn T. Seaborg, chairman of the Atomic Energy Commission, told newsmen yesterday that the United States probably would gain more than the Soviet Union in an exchange of atomic energy information.

He said the Soviet Union has an advantage over the United States because more American research results are published and the Russians have a highly efficient system of screening foreign technical journals.

Army Pvt. Thomas F. Dillon IV, whose parents live at 65 Garden Rock Road, San Anselmo, has been assigned to Battery A, First Missile Battalion of the 61st Artillery, a Nike-Hercules Missile unit at Travis Air Force Base.

Bath Death Was Murder; Clues Sought

SAN FRANCISCO (AP)—Homicide officers pressed today an intensive search for clues in the mysterious bathtub killing of the pregnant young wife of a San Francisco stockbroker.

Mrs. Martha W. Coates, 24, daughter of an Arkansas banker, died Monday of strangulation by a nylon stocking knotted around her neck.

"She was murdered," Coroner Henry Turkel declared yesterday. "She did not commit suicide."

He said the slayer attempted to make the death appear a suicide. But an autopsy showed it "could not possibly have been accomplished by the deceased."

Police were at a loss for clues to the motive behind the slaying.

Homicide Inspector Arthur Christiansen said there was no evidence of burglary or of forcible entry into the victim's second floor apartment on 19th Avenue.

The body was found by Mrs. Coates's husband, David, 26.

Mrs. Coates was the daughter of J. J. White, president of the Helena National Bank at Helena, Ark. Coates is the son of James Coates, United States commissioner in Little Rock, Ark.

Students To Give Downtown Plan

A group of students from James B. Davidson Junior High School will present their plans for rejuvenating downtown San Rafael to a gathering of civic leaders at a noon luncheon Friday at Dominic's Restaurant in San Rafael.

As a special project, they formed their own advertising agency to devise plans to help downtown San Rafael meet the challenge of the Northgate Shopping Center.

Marinite Delegate Pledged To Stassen

Alan Croft Blanchard of Inverness Park is among the delegates pledged to Harold E. Stassen in California's June 2 Republican presidential primary.

Stassen, 56, former governor of Minnesota, filed his slate of 86 delegates with the secretary of state in Sacramento yesterday.

GOP Plans Forums To Get Opinions

LOS ANGELES (AP) — Republicans are going to take up former President Dwight D. Eisenhower's suggestion of a series of "Party to People" forums to get the public's viewpoint before drafting the GOP platform.

Rep. Melvin R. Laird (R-Wis.) said yesterday the first one will be held in Los Angeles March 31.

Six in all will be held, each on a different subject before the party convention in San Francisco in July, he said.

Former Secretary of the Navy Charles S. Thomas will be chairman of the Los Angeles panel. Panel members will include Eisenhower, Adm. Arleigh A. Burke, former chief of naval operations, and Rep. Gerald R. Ford Jr. of Michigan, member of the House defense appropriations subcommittee.

The topic will be peace and security.

Eisenhower suggested the forums last January.

Ex-Nationalist Said To Be Serving Reds

TOKYO (AP) — A Nationalist Chinese air force pilot who defected last summer has been appointed deputy commander of a Red Chinese air force regiment, the New China News Agency reported today.

The pilot, Hsu Ting-tse, was made a major in the Communist air force after flying his U.S.-built F-86F jet fighter to the Chinese mainland.

Leydecker, McInnis Now Officially In Running

Both County Supervisor Byron W. Leydecker, 37, and his challenger, Mayor John F. McInnis, 50, of San Rafael are officially in the race for supervisor of the First District (San Rafael area).

McInnis filed his candidacy papers with the county clerk late yesterday, and Leydecker filed this morning.

Orlando Conti, San Rafael plumbing contractor, has indicated he will be the third man in the race in the June 2 primary. Filing deadline is Friday.

Leydecker, president of the Redwood National Bank of San Rafael, announced he would campaign on his "action program of defining the goals of the people of Marin and developing the means of implementing them."

Citing as an example the current Stanford Research Institute study on Marin's industrial capability, which he initiated, Leydecker said: "This will serve as a guideline to help in developing the county's industry in a manner compatible with its character and enable us to shift some of the tax burden from the hard pressed property owner."

He said meetings of county department heads with citizens' organizations, which he initiated, "were serving to make government more responsive to citizens' needs" but that "many reforms are in order to make our county government fully responsive, efficient, and functional."

Body Is Still Unidentified

The body of a man found off Rocky Point, between Muir and Stinson beaches, on Sunday is still unidentified, the San Francisco coroner's office reported today.

Fingerprints are being checked to determine if the body is that of Frederick G. Faree, 35, of San Francisco, a possible suicide victim from the Golden Gate Bridge.

Faree's car was found at the Vista Point Parking lot March 5 and he sent his employer a note indicating he was planning suicide.

TV Initiative Is Endorsed By Supervisors

The Marin County Board of Supervisors in quick action yesterday endorsed an initiative for a ballot measure to make pay television unconstitutional in California.

Supervisor Byron W. Leydecker proposed the endorsement, saying he thought advertisers should pay the cost of television programs.

Without debate, the supervisors endorsed the resolution 3-0. Supervisors William D. Fusselman and Peter H. Behr were absent.

Leydecker pointed out the resolution technically does not call for outlawing pay-TV but only for placing a constitutional amendment that would do so on the ballot.

Assembly Candidate Hits Bagley On Death Penalty

The death penalty in California serves "no useful purpose as a deterrent," a Democratic candidate for State Assembly declared last night at a meeting of the Marin Democratic Central Committee.

James Pockrus, 45, teacher-accountant from Rohnert Park, spoke at the Marin County Courthouse in San Rafael. Pockrus is running for the Assembly post now held by William T. Bagley (R-San Rafael).

Pockrus criticized Bagley for "voting against abolition of the death penalty and voting against the four-year moratorium proposed by Governor Brown."

Pockrus pointed out that "it is easy to see by the facts that capital punishment hits the economically deprived members of minority groups with a regularity not matched by wealthier offenders."

The speakers said Assemblyman Bagley wants to "take welfare money and put it into education." Pockrus said that feeding undernourished children is just as important as education. In fact, said Pockrus, it would be difficult to teach a child who is hungry and ill-clothed.

Prize Recipe If You Can Stand It

RENO (AP) — Jim Daley of Reno, a brick contractor, won a men's cooking contest with a recipe for potato chip spinach loaf.

The contest was sponsored by the Potato Chip Institute.

U.S. To Sue For Peninsula Land

WOODSIDE (UPI)—The Atomic Energy Commission said yesterday it planned condemnation proceedings to acquire Woodside land for a 220,000-volt power line from Skyline Boulevard to Stanford University's new linear accelerator.

The "Save Our Skyline Committee" immediately announced that it would fight the AEC "all the way to the U.S. Supreme Court, if necessary."

AEC chairman Glenn T. Seaborg, in a letter to Woodside Mayor Donald J. Graham, said the condemnation proceeding would begin "at the earliest practicable date."

Housing Plea Illegal, Says Fusselman

County Supervisor William D. Fusselman yesterday said it was illegal for a citizen committee studying needs of the aged to ask supervisorial candidates to endorse measures which might include public housing for the elderly.

He presented an opinion by County Counsel Douglas J. Maloney to back up his statement that no group should seek a promise from any candidate for office for a vote on a specific program.

Fusselman said he supported the program, which is expected to include a referendum this fall on the federally aided housing. But he called the endorsement request "presumptuous."

He had made the same charge earlier, but had been told by County Administrator Alan Bruce that Maloney had said there was nothing illegal in the request.

He said yesterday he had talked to Maloney himself, and added it appeared Maloney had not been asked exactly the same questions as he had expected.

OLD WAYS STILL USED

While much of the world now is jet-propelled the Amish families in Lancaster, Pa., still scorn gasoline vehicles and other 20th Century contrivances. Two Amish farmers are seen moving along a high speed highway today. In the lineup two trusty mules pull a tobacco wagon loaded with an old-style cultivator and pulling an enclosed wagon, then two more mules pull a flat-bed wagon on which is loaded a hog pen. Trustees May Consider Larkspur Teacher Raises

The Larkspur School District board last night agreed to consider increases in teacher salaries if the June 2 tax increase election is successful.

Alfred F. Kerr, speaking in behalf of the teachers' association, said teacher pay in the district is among the lowest in the county.

He said the district would lose many good teachers if raises were not granted after the election. Kerr said the teachers understood the district's present lack of funds.

The Larkspur School District board also:

1. Voted to send State Assembly Speaker Jesse Unruh and Marin County legislators letter opposing the Unruh Bill to force countywide school district unification and requesting greater state aid for school districts.

2. Heard a report by James McClintock, chairman of the tax-bond citizens committee, that the need for passage of the bond and tax measures was greater now than ever before.

3. Rejected a damage suit, filed on behalf of True Haley, kindergarten pupil at Henry C. Hall School, for $5,000 and "special damages unascertained" because he was pushed out of a chair by another pupil.

4. Approved a loan request from the county schools office for $140,000 until property tax funds are available for the district.

5. Accepted the resignations of Mrs. Mary White, kindergarten teacher, and Clarence Freeman, custodian, both at San Clemente School.

Span Unit To Meet

The finance committee of the Golden Gate Bridge and Highway District will meet at the district administration building at 10 a.m. tomorrow to discuss diversification of funds on deposit for the district.

Pilot Enters Council Race In Tiburon

Marc S. Saunders, Pan American Airline pilot and part owner of Leonard Linn's Gift Shop, today became the fifth Tiburon resident to take out a nomination petition for the city council election June 2.

Saunders was formerly with Flying Tiger Airlines, Gen. Claire Chenault's line in China. He flew for two years in the war in what was then French Indo-China (now Cambodia, Laos, and North and South Vietnam).

He served two years in the Navy during World War II and four years in the Air Force. He flew 76 missions in Korea. He holds the Distinguished Flying Cross, five air medals, United Nations Medal, Korean War Medal, and World War II Medal. He was president of the Philadelphia Junior Chamber of Commerce in 1957.

He is vice president of the Tiburon Merchants Assn. and a member of the newly-formed Shark Lions Club. He and his wife, Dorothy, live at 2600 Paradise Drive.

'Missing' Man's Past Catches Up

Floyd M. Brickner, 33, of 821 Sweetzer Avenue, Novato, who with his father was the object of a search when they failed to return from a camping trip last November, yesterday had one result of that trip catch up with him.

He was arrested by Novato police on charges of drunken driving and having no valid California driver's license. Also, there was a $108 traffic warrant for speeding against him from Truckee, Nevada County, where he and his father were camping. It had been issued during the "disappearance."

Ex-Mayor Arraigned On Tax Charge

George E. Keeney, 58, former mayor of Sausalito, was arraigned in U. S. District Court in San Francisco today on three counts of evading federal income tax.

He is accused in a U. S. Grand Jury indictment of failing to pay $7,282 in taxes, from 1957 through 1959. In 1957, Keeney was secretary of the Marin County Grand Jury.

A past exalted ruler of the San Rafael Elks Lodge, director of the Marin County Council of Boy Scouts, and 16-year veteran of the Sausalito City Council, Keeney was ordered to appear in district court next Wednesday to enter a plea.

Keeney, of 65 Spencer Avenue, Sausalito, former office manager and assistant to the president of Bechtel Corp., is a liquor salesman.

Keeney appeared before Judge Albert C. Wollenberg to hear the charges today. Each count carries a possible penalty of five years in prison and a $10,000 fine.

The government claims that he owes a total of $26,034 in back taxes and penalties.

The first city officials of Nieuw Amsterdam (New York) in 1653 included a preacher, teacher, court messenger and dog catcher.

Belli's Remarks Against Judge Called Unethical

SAN FRANCISCO (UPI)—Walter E. Craig, president of the American Bar Assn. said today attorney Melvin Belli was guilty of flagrant disregard of the legal profession's code of ethics in his remarks following the Jack Ruby murder trial.

Craig made the statement in conjunction with a speech to the Bar Assn. of San Francisco, Belli's home town.

The ABA president revealed that complaints of unethical conduct against Belli had been received by ABA headquarters in Chicago. He said the complaints were being referred to the association's committee on professional grievances for investigation.

Craig said Belli "in his unrestrained comments on the trial of Jack Ruby in Dallas—which have been widely broadcast and reported—the chief counsel for the defendant made intemperate and abusive statements about the trial court and the entire Dallas community.

"The effect was to question the integrity of the court and jury."

Craig said "the canons of ethics provide that the lawyer having any justified reasons against a member of the judiciary should lodge that grievance with the appropriate authorities and not indulge in public defamation."

"Mr. Belli should know this," Craig said. "That he should so flagrantly disregard the code of professional ethics, and his oath as an attorney, is a discredit to him and to his profession."

The ABA president said "the first duty of every lawyer is to maintain a respectful attitude toward the court. That rule is imposed not for the sake of the temporary incumbent of the judicial office but for the maintenance of its supreme importance."

Girl, 12, Hurt In Bike-Car Accident

Janet Marie Carbone, 12, of 120 Hawthorne Way, Santa Venetia, suffered minor injuries to her right ankle yesterday and was to see a private doctor for treatment after the bicycle she was riding was struck by a car at San Pedro and Merrydale Roads at 5:50 p.m.

The driver of the car stopped and warned her to be more careful in riding her bicycle on the wrong side of the street and then drove away, according to the California Highway Patrol.

School Loan Voted

ROSAMOND (UPI)—Voters in the Southern Kern County Unifield School District approved a proposal yesterday to enter into an agreement with the state for a $1,250,000 loan for construction of a new high school. The vote was 284 to 22 and it was cast in Rosamond, Tropico and Willow Springs.

North Marin Water Board Lets Contract

Chicago Bridge and Iron Co. of Chicago, Ill., was awarded a $45,034.60 contract for a 600,000-gallon steel reservoir on Winged Foot Drive in Marin Golf and Country Club Estates last night by the North Marin County Water District board.

The company was the lowest of four bidders. It also built the Sunset and Trumbull reservoirs for the district last year. The contract calls for painting and fencing around the reservoir.

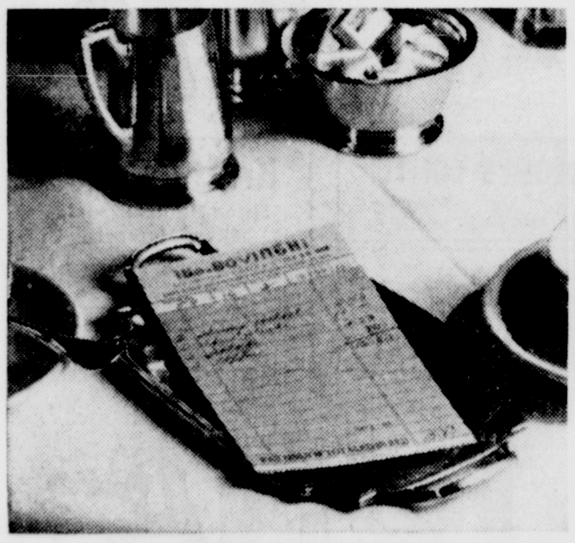

Agreement for water service to the 1,500-apartment Scottsdale development of Harry Heifetz, south of Yukon Way and East of South Novato Boulevard, was approved by the board, as was agreement for water service to Oak Valley unit 1 of 21 lots off Vineyard Road south of Pleasant Valley, being developed by Robertson and Aguirre.

Man Is Charged In Attack Case

Luis Richard de Olazarra, 21, of 920 Calle Paseo, Novato, was arrested yesterday by Novato police on a charge of statutory rape with bail set at $1,100 at Marin County Jail.

The charge involves a 17-year-old girl, according to police. De Olazarra told police the girl skipped high school Monday and they spent the day together, going to the Russian River.

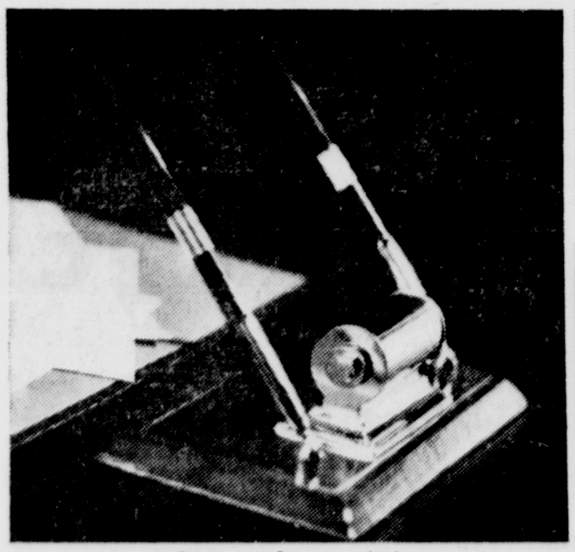

What $15.80 buys these days:

A business lunch

Theatre for two

A pen set for your desk

Sharper business judgment

Now that TWA First Class fares are reduced, just $15.80 added to the cost of Jet Coach puts you in a First Class seat on any TWA jet between San Francisco and New York. That $15.80 can put a keener edge on your business abilities.

When you need a place to work, TWA's two-abreast First Class seating gives it to you. When you need privacy—to review, to plan—you've got it. When you want to relax before a big meeting, TWA offers you the diversion of a first-run movie*—a TWA exclusive on most non-stop jets from San Francisco to New York.

When you fly First Class you arrive at your best. That makes the $15.80 difference in fares the kind of small but sensible business investment you make every day. For reservations, call TWA at 388-3723. Or see your travel agent and specify TWA.

Marin Joins Contra Costa In Tolls Bid

The Marin County Board of Supervisors yesterday decided to join Contra Costa County in another try at lowering the Richmond-San Rafael Bridge toll.

Chairman William A. Gnoss presented a copy of a resolution from Contra Costa asking the state to restudy the toll problem, either with the view allowing tolls to be lowered immediately, or to learn whether the present revenue bonds might be refinanced to result in lower tolls.

Supervisor William D. Fusselman asked that the refinancing question be referred to T. F. Bagshaw, assistant state director of public works, and a former Marin County supervisor. But Supervisor Byron W. Leydecker said he would rather have the action go directly to the agency empowered to make a decision. Fusselman then went along with the other supervisors on the resolution.

The Marin County Board of Supervisors also:

1. Continued consideration of the county grand jury report to Tuesday, one day past the legal deadline for a report.
2. Approved payment of an in-lieu tax collected from the Marin Housing Authority to the Sausalito School District.
3. Postponed to next Tuesday discussion of a proposal to reopen contract negotiations between the county and San Rafael General Hospital.
4. Referred to County Counsel Douglas J. Maloney a request from the local agency formation commission that the building director be stopped from issuing building permits for houses which cannot have septic tanks and are not annexed to a city or sanitation district.
5. Reappointed the incumbent directors of the North Marin County Water District, since no opponents filed for office, thus eliminating an election.
6. Approved a joint powers agreement with Belvedere to allow relocating the entrance of Mar West Street, to be rerouted to avoid a slide area.
7. Gave final assurances of local participation for the federally financed Coyote Creek flood control project, after hearing Northwestern Pacific Railroad had agreed to a change in location of a Richardson Bay trestle.
8. Approved the $22,350 purchase of the Schindler property for the Coyote Creek project.
9. Approved a contract for $27,407 for V. Maggiora and Son, Inc., Sausalito, for a drainage project on Montecito Road, Trestle Glen Drive and Auburn Street.
10. Approved rezoning of the Tally-Ho subdivision east of Novato from agricultural to residential with 20,000 square foot lot minimum.
11. Approved rezoning of Oak Manor Unit 4-A to single family.
12. Referred a letter from the City of Fairfax calling for a larger planning staff to Planning Director B. D. Dobbs for reply, and promised to discuss contracting of a Fairfax master plan at budget time.
13. Set hearing for April 7 on rezoning to planned industrial of the Bodkin Estate, the 100-acre site for the planned McGraw-Hill Book Co. distribution center north of Novato.
14. Appointed Eunice Thompson, 2192 Center Boulevard, Novato, to the Citizens Advisory Committee on Urban Development.
15. Approved spending $500 to bring three applicants for mental health director from outside California to San Rafael for interviews.
16. Appointed Alpha Laidlaw intermediate stenographer clerk, auditor-controller's office; Walter S. Horchler, senior planner, planning department; Edward A. Sheehan landscape gardener, and Richard C. Shaler Jr. draftsman, public works department, and Philip Dennis, group counselor, probation department.

Supervisor Peter H. Behr was absent. Supervisor William D. Fusselman was absent part of the morning session.

Lee Quinn, Crew Member To Wed

HONOLULU (UPI) — Steeplejack Lee Quinn and his former first mate on the ketch Neophyte, Mrs. Bernice Berkson, yesterday applied for a marriage license.

Mrs. Berkson, who was part of Quinn's all-girl crew which sailed the Neophyte from Hawaii to the Society Islands last year, obtained a divorce recently from her wealthy San Diego husband, John Berkson.

Quinn was divorced by his wife, Mary Ann, in San Jose, California on Feb. 24.

Quinn, 37, has taken several ocean voyages in his 45-foot ketch, each time with an all girl crew.

It is estimated that rats cause an annual loss in the United States of almost 200 million dollar.

San Quentin Inmate Is Stabbed In Back

A 31-year-old San Quentin Prison inmate was stabbed in the back by an unidentified assailant as he entered the south cellblock on his way in from work at 4 p.m. yesterday.

The victim, David E. Templeton, was stabbed once in the right rear side below his rib cage with a home-made steel knife, reported Associate Warden Dale B. Frady. The knife was made of sharpened steel, with a 5½-inch blade and a black taped handle.

Templeton was reported in good condition today at the prison hospital.

Prison officials have no suspect,, Frady said. Templeton was entering the rotunda of the cellblock in a group of about 40 men when the stabbing occurred.

Templeton was committed to San Quentin from Alameda County May 9, 1962, for parole violation. He previously served time for assault with a deadly weapon.

Campaign In Novato

A public meeting to discuss the issues of the Novato City Council campaign will be held at 8 p.m. tomorrow in the Novato Community House by William Jack Adams and Douglas M. Merrill, who are running as a team for the city council in the April 14 election.

New Hampshire Sweepstakes Set

CONCORN, N.H. (AP) — If the federal government tries to collect a 10 per cent gambling tax from the New Hampshire sweepstakes, officials say they expect the matter to wind up in the courts.

Tickets are on sale for the nation's only state — operated lottery. The first sweeps race will be run Sept. 2 at Rockingham Park, and persons holding tickets on the winning horse will collect $100,000. The prize for second place is $50,000, for third place $25,000.

The state expects the lottery to produce more than four million dollars revenue for aid to schools.

The legal voting age in the United States is 21 in all states except Hawaii where it is 20, Alaska, 19, and Georgia and Kentucky, 18.

New Mathematics Meeting Tomorrow

Teachers from throughout Marin County have been invited to a special meeting at 3:45 p.m. tomorrow at the Civic Center to discuss new mathematics.

The county schools office will show selections of films available for classroom use in teaching of new mathematics concepts.

Hub Double Sessions To End After Easter, Parodi Says

Four new classrooms and a multi-purpose room at Wade Thomas School in San Anselmo will be completed in time for use the day after Easter, the San Anselmo School District board learned last night.

Supt. Stephen Parodi said March 30 will be the last day pupils will be required to attend double sessions.

On that day, he explained, the youngsters will take part in moving their supplies and effects from the old classrooms to the new ones.

After they have carried lighter items to the new rooms, school custodians will be able to move desks and other furniture in time for the school to begin single session hours the next day.

Starting Tuesday, March 31, Parodi said, all students will report to school at 8:55 a.m.

The San Anselmo School District board also:

1. Discussed alternate ways to rearrange classes next year to solve a shortage of two classrooms at Wade Thomas School, anticipated in spite of the four new classrooms now being completed.

Parodi said the final decision may involve moving some students between schools, then combining classes in a few grades where the average class size is below that for other grades.

2. Deferred action on next year's salary schedule until the April 21 meeting.

It costs approximately one cent to ship 4,200 gallons of oil one mile by tanker.

Last Sausalito Council Meeting For Sievers

Howard Sievers sat in the mayor's seat last night for his last meeting in eight years on the Sausalito City Council.

As vice mayor, he conducted the meeting in the absence of Mayor Paul Micou, who is ill.

"I'm leaving Saturday for Johannesburg, South Africa," said Sievers. He will go with his wife Minnie and daughter Penny, 16, for Bechtel Corp. of San Francisco where he is an electrical engineer. He will work on the Pallabora Mining Co. copper mine and expects to be away for two years.

"I appreciate having had the opportunity to serve on the council for the past eight years," said the vice mayor. "Although the pay was low and hours long I enjoyed every minute of it. I wish good luck to the future members to be elected." Sievers received loud applause from the audience and his fellow councilmen.

Councilman Michael Harris moved a resolution be passed thanking Sievers on behalf of the city, not only for his services but for the service of the Sievers family. Totaling the councilman's eight years and Mrs. Sievers nine years on the Sausalito School District Board, Harris said, "We thank you for 17 years of service to Sausalito."

Harris noted that Sievers was mayor during inauguration of the city's sister city program, that he had seen the fruition of the zoning ordinance and the Marinship plan. He complimented the Sieverses for "their sterling example of public service and example of domestic felicity."

The council adjourned in honor of Mr. and Mrs. Sievers on a motion by Councilman Jan Paul Dyk.

80s Temperature Wins Contest For 5 Radio Listeners

Monday's 80-degree temperature won a contest for five Marinites. Today they were announced as winners of a slide-rule weather forecaster by Harry Geise, private meteorologist who presents "The Weather and You" daily at 12:30 p.m. on Radio KTIM.

Geise had been running a contest for listeners to guess the date on which the mercury would first hit 80 degrees in Marin. Although most entrants had set the date in late spring or summer, the five winners all picked March dates, with the closest only one day wrong.

The winners and dates they picked: Michael Pechner, 1109 Fourth Street, Novato, March 17; John Walters, 26 Playa Drive, Mill Valley, March 18; Mrs. O. P. Antonie, 15 Oak Knoll Avenue, San Anselmo, March 19; Mrs. Robert Owens, 11 Roosevelt Street, San Rafael and Peter Del Tredici, 329 Laurel Avenue, San Anselmo, both March 26.

State Sues For Dope Fund Return

SALINAS (UPI)—The State of California filed suit yesterday to get back $1,198 it spent buying illegal narcotics from Dr. Kenneth Blaylock, Salinas physician sentenced to prison last year for illegal sale, possession and prescription of drugs.

The suit, filed by the state attorney general's office in Monterey County Superior Court, asserted that five state agents paid the money to Blaylock in 16 separate "buys" of illicit synthetic narcotics during a two-month period.

It demanded return of the state's money under terms of the California Health and Safety Code.

Blaylock, 64, is at the California Men's Colony near San Luis Obispo. He was convicted last June on 16 counts involving illegal drugs.

Station Offers View Of Greens

SAVANNAH, Ga. (AP) — The operator of a service station at Savannah has planted a collard patch beside his station to attract tourists.

The operator, Jack Rhodes, says tourists by the dozens stop to have a look at the greens. He says the patch gives his station "a real Georgia flavor."

'NONEXISTENT' PROBLEM — The San Rafael Police Department insists that no crackdown is expected, or needed, to eliminate "litterbugging" in the city. But view from corner of Mission and Tamalpais avenues, looking south shows beer cans, paper sacks, liquor bottles, cigarette packages and other trash.

BUT PRAISE LARKSPUR ACTION

Most Police Departments See No Litterbug Crackdown Need

(See editorial, page 26)

Marin County police departments are showing little indication of declaring a major crackdown on litterbugs, except for Larkspur Police Chief Howard Clark's recent vow to clean up a thoroughfare which "looks every day like a cyclone hit it."

But many of his fellow chiefs have wished Clark well in his campaign.

Clark announced last week he would begin ticketing motorists who dump garbage and trash on roadways, citing them under the "litterbug" section of the Vehicle Code.

This section, 23112, calls for a fine of $50 per violation.

Clark said his decision came after a 16-year-old Mill Valley youth was sentenced by juvenile court to work four hours for the City of Larkspur for throwing trash out of a moving car.

Several departments, including San Rafael, denied that a problem exists in their jurisdictions.

"We are going to be doing what we have always done," said San Rafael Chief Charles J. Chiesa. "We always have taken care of trash dumping violators whenever we saw them."

More enthusiastic was Chief Frank L. Nelson of Corte Madera.

While insisting he knew of no situation in his community that called for a crackdown, Nelson said of Clark, "I hope he does lower the boom on them. It will sure put a stop to it."

"I hate litterbugs," Nelson declared. "They are an obsession with me."

Pleasure with the court's attitude came from Chief Raymond R. Buchignani of San Anselmo and Chief James Orr of Fairfax.

"We are very pleased with the court's decision," said Buchignani, "and when it does come to our attention we will be citing violators."

Orr called the Larkspur chief's campaign "a wonderful idea."

"If the court is going to take this attitude, it would be a good enforcement angle. We certainly will take this approach if it comes to our attention," he said.

Novato's police chief, Robert J. DiGrazia, said he had been citing under the "litterbug" section for some time.

"We have had this problem in the past," he said. "We had a rash last June with high school students throwing balloons filled with water, but we picked up about 30 or 40 kids after they were fined, that put an end to it."

Police departments at Mill Valley and Sausalito both echoed the San Rafael contention that no problem exists in their areas.

Beach Safety Plea Referred To Club

The Marin County Board of Supervisors yesterday, faced with a flat "no" from the state division of beaches and parks on more protection for swimmers at Stinson State Beach, referred the matter to the Stinson Beach Improvement Club.

Chairman William A. Gnoss pleaded for more action than that, but the other supervisors said the matter was technically out of the county's hands. They agreed to pass a resolution "expressing our concern."

"We ought to do something," Gnoss said. "We shouldn't just send this to the improvement club and say we're through."

"You didn't want to send a fire truck onto federal lands at Point Reyes Seashore without a contract with the federal government," answered Supervisor William D. Fusselman.

"If we assume responsibility and something happens we could be in trouble."

Fusselman said the county might also be asked to patrol Samuel P. Taylor State Park to prevent people from lighting fires.

Edward F. Dolder, chief of the Division of Beaches and Parks, had written the board that there was not enough money in the division budget to increase patrols at the state beach.

Maybe They Just Plain Can't Read

BIRMINGHAM, Ala. (AP) — "Road Closed," said the sign on a rural byway near Birmingham. But people don't always believe in signs. In this instance, they should have. The road is torn up around the bend.

And for those disbelievers, someone has placed this sign on the return trip: "Stupid."

Drunken Driving Fines Imposed

A Mill Valley man, Raymond Henry Viegas, 43, of 111 Del Casa Drive, was fined $550 and sentenced to 30 days in Marin County jail yesterday by Marin Municipal Court for drunken driving with a previous conviction.

He had entered a nolo contendere plea. Imposition of sentence was delayed until 9:30 a.m. tomorrow. Viegas, a bartender, was arrested March 10 on Miller Avenue by Mill Valley police.

John Sterling Jennings, 32, Petaluma, was fined $166 for drunken driving. He was arrested by California Highway Patrol on Novato Boulevard Feb. 26.

Policeman To Check Meters Is Approved

The Sausalito City Council last night authorized hiring a parking enforcement officer to work principally on parking meter activities. At the same time it agreed to eliminate one police officer classification.

Police Chief Kenneth H. Huck recommended the parking officer, saying he can accomplish the same job as is being done by a regular officer now at a saving of about $1,000 per year in salary and with an expected increase in parking revenue. City Mgr. Charles A. Brown approved Huck's request.

Brown said the officer will be unarmed, that his qualifications will allow him to be as old as 45 years and that he will receive a salary of between $447 to $543.

The police department has two vacancies coming. Harvey Zion was working his last day today, having resigned to join the Corte Madera police department, and Ernest Brown is to leave Monday to join the Air Force as a helicopter pilot. The new position would eliminate Zion's position.

The sea otter had virtually disappeared by 1911 when it was finally given protection under an international treaty.

Brown Looks To Republican Minority For Budget Action

SACRAMENTO (AP) — Gov. Edmund G. Brown's administration, clearing its first hurdle with ease, looked to the legislature's Republican minority today for the next move on the state budget bill.

The Assembly ways and means committee approved the record-high spending yesterday at the earliest date in years. Boosted by 9.5 million dollars, the total is now 3.67 billion dollars.

Would the Republicans use the budget as a lever to enforce their demand for a June, instead of November, vote on 620 million dollars in bond issues?

"I won't vote for it the first time around unless something is eliminated first," said the chairman of the Assembly's Republican caucus, Don Mulford of Oakland.

Similarly, the house minority floor leader, Charles J. Conrad of Sherman Oaks, said he intends to offer amendments for unspecified reductions.

Democrats outman Republicans in the Assembly, 50 to 28, with two vacancies. The budget, however, requires 54 votes for passage.

A Republican holdout could be triggered by the GOP caucus position in favor of placing the bond issues on the June ballot. A bill to carry out that recommendation was introduced Monday by Assemblyman John G. Veneman (R-Modesto).

Governor Brown told a Los Angeles news conference, however, that he would veto any such legislation because it would automatically provide for a June primary election vote on the controversial Rumford housing initiative.

$10,000 Plan Expenditure Proposed For Sausalito

It is proposed that the City of Sausalito contribute $10,000 to qualify for a federal planning grant of $20,000 toward improvement of the city's central waterfront.

The proposal was made in a report from the planning commission last night to the city council. No action was taken, the council agreeing to discuss the report April 7.

The central waterfront area was defined as that area "extending from Ondine Restaurant to Johnson Street and from Buckley Avenue east to the city limits."

Planning Commissioner Norman Murdoch, signing the report, said that landscape architect Thomas Church and city planning consultant William E. Spangle have confirmed the committee's judgement that a proper design for the Central Park-Plaza and the waterfront can be prepared only against the background of a comprehensive central district plan.

"We simply must take the time to do the job right," said Murdoch, "despite urgency of problems which concentrate in the Central Park-Plaza."

The Sausalito City Council Also:

1. Heard acting Mayor Howard Sievers proclaim the week of April 20-25 as clean-up week. During that period the Livermore Disposal Co. will make the first of two free garbage-rubbish clean-ups.

2. Was commended by the Sausalito Democratic Club for the council recent action in returning the Sausalito Properties fill permit request to the planning commission for a rezoning study.

3. Agreed to advise the North Bay division of the League of California Cities that it favors a state law requiring all electrical utilities to be placed underground.

4. Directed City Atty. Leland H. Jordan to draw up ordinances for limited time loading zones and for parking meters between the Village Fair and Grace Apartments on the west side of Bridgeway.

5. Heard a financial status report of Feb. 29 disclosing that revenues in February were $58,000, or $20,000 more than those in February, 1963.

6. Asked City Mgr. Charles A. Brown to continue negotiations with the State Division of Highways to further the landscaping along Highway 101.

7. Approved a resolution classifying the position of Brown in the salary range of $844 to $974. Brown makes $974.

8. Continued to April 7 the animal control ordinance, to permit Jordan to make minor changes.

9. Approved a survey for a Glen Drive plan line, between Santa Rosa and Currey Avenues, and referred the matter to planning commission.

10. Adopted a resolution reaffirming the council's intent that Ardilla Land Co.'s permit to build apartments on Rodeo Avenue was not conditioned on the company's constructing the extension of Gordon Street. With this reaffirmation, Ardilla is expected to drop its suit against the city.

11. Directed Jordan to draft abandonment papers for a 600 square foot pie-shaped piece of land on Bridgeway near Ernie's waterfront cafe, requested by Joseph Kane.

12. Approved an occupancy permit for the Big G Supermarket in Marinship prior to recording of a lot split, upon condition Bay Counties Finance, owners, file a new map prior to occupancy. This, according to attorney Hugh Lawrence, will permit the store to open April 1.

13. Approved request of Spencer Avenue property owners that B. J. Whitlow, city engineer, be authorized to survey their properties at their expense.

14. Adopted a resolution that bid requirements, which now start with purchases of $2,000, be raised to $2,500.

15. Rejected a claim from William L. Hynes, city building inspector, for $6,225 for damage to his property in November, 1962, the claim to go to the city's insurance carrier.

Mayor Paul Micou was absent.

How They Make Wrecks At Tech

ATLANTA (AP)—Never before on the Georgia Tech campus has such an assortment of groans, shrieks, hisses, rumbles, cries, shrills and wheoos been heard.

The noises were made recently by a variety of new whistles. Officials started experimenting with new ones after the old whistleless steam pipe atop the Tech power plant, which signaled classes for years, was stolen.

Classes ran overtime and students started carrying watches. An experimental steamboat whistle was much favored on campus but somehow Tech didn't quite fit into a nautical motif.

Now students are adjusting to a railroad whistle, here to stay, Tech hopes.

Policeman Answering Alarm Locked In

NASHVILLE (AP)—Everything appeared normal when Patrolman William O. Rogers answered a burglar alarm at a local auto company. A salesman was making a pitch to a customer in the showroom. To make doubly sure, Rogers entered the rear of the building to look around.

Meantime, the salesman and customer left, locking the front gate on the way out. Rogers was finally rescued when a superior officer drove by and noticed him trapped inside the company's high wire fence.

Man Stabbed In Heart Reported To Be Improved

William Roger Mason of Forest Knolls, who was stabbed in the heart Saturday, was reported improving today at Marin General Hospital with his condition listed as fair.

Mason was stabbed at his home, allegedly by his wife, Mrs. Madoline Ann Mason, with a 12-inch bread knife.

The thrust slashed the left ventricle of his heart, but skillful work by a team of doctors saved his life.

Mrs. Mason is to appear in Marin Municipal Court Monday on a charge of assault with a deadly weapon.

Briton, Australian Arrested By Czechs

PRAGUE, Czechoslovakia (AP) —Czechoslovakia's Communist government announced today that a British historian and an Australian school teacher are being held on charges of trying to smuggle a Czechoslovak national to Austria.

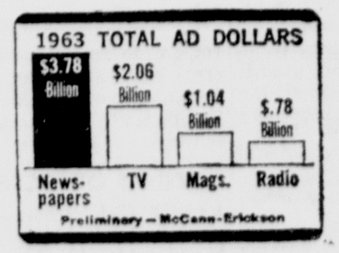

CTK, the official news agency, said that Norman Stone, 23, of Glasgow, and Janice Wilson, 25, of Sydney, have confessed. CTK said they were ordered arrested by the state prosecutor's office in Bratislava.

It costs approximately one cent to ship 4,200 gallons of oil one mile by tanker.

SERVING ALL OF MARIN COUNTY

ALONG MARIN'S SPORTS TRAIL

By JIM GILMARTIN

Despite Great Spring, 'Boc' No Cinch To Stay In Majors In '64

Early reports from the Cactus League have it that Marin's John Boccabella, the Chicago Cub rookie first stacker enjoying a sensational spring, is a lead-pipe cinch to stick with the parent club throughout the season.

The way he's hitting and fielding, Boc has been the recipient of rave notices. One scribe wrote, "Boccabella is a cinch to stay with the Cubs this year and he looks like he is going to run (Ernie) Banks right off first base." Banks, as you know, is the Cubs' veteran first sacker.

Reports like those have Boc's legion of Marin fans on Cloud 9, so it's only fair to warn them that the 22-year-old Marin Catholic graduate is no cinch for major league employment this season.

John is one of two bonus babies in the Cub camp. The other is Sterling Slaughter, a pitching whiz from Arizona State University.

The Cubs will keep both of them on their roster, as protection from the first year draft rule, but one will be sent out for further seasoning. Head Coach Bob Kennedy still does not know who to keep and who to farm out, but he has until May 15 to decide. That's the deadline when all major league clubs must cut back from 28 players to 25.

ED RANDOL, who writes a column on these pages during the winter, is just back from Arizona where he visited with Boc. Said Randol, "John is very pleased with his showing this spring and very modest about it at the same time. He loves the game and the organization and hopes to make the big team this year, but with Banks to beat out figures he will probably start with Salt Lake."

So there's a warning for those of us who are pulling for Boc to make it big in this, his rookie year. Banks is still the Cub first baseman and unless he is shunted into the outfield to make room for the Marin rookie, a remote possibility, Boccabella will have to wait his turn for stardom.

You can be sure, however, that he'll make the grade—and big! At 22, he has plenty of time.

If Banks does keep the job, I'd rather see Boc sent down to the minors where he'd play every day rather than collect splinters on the bench. He's the type who needs action.

Randol, by the way, reports Boccabella is " . . . the 'darling' of the training camp; after Banks whiffed three times in a row (Cubs vs. Indians) Boccabella was sent in and received the only ovation of the day."

EX-REDWOOD star Jay Rodrigo, a consistent three-meter diving champ for Cal, will represent the Bears at the NCAA finals at Yale March 25-28.

MIKE SHAFER, former San Rafael High track flash, ran a winning 1:56.6 half mile in the Cal Frosh squad's meet with San Jose State freshmen last Saturday.

JACK LEONE, son of I-J circulation mgr. Julian Leone, is writing sports for Newsday, a Long Island paper with 375,000 circulation, covering fights, basketball, track, etc. He'll make a western swing with the Yankees this spring, reports his proud pop.

KEN FROST of Belvedere, a sophomore at Indiana University, captured two second place awards at the recent Big 10 Swim Championships with a 2:15.4 clocking in the 200 breast and 1:01.6 in the 100 breast.

The former Redwood High and Marin Pirates star is now pointing toward the NCAA meet March 26-28 at Yale and the Men's Indoor Nationals at Bartlesville, Okla. April 2-4.

I NOTICED in the Country Club Bowl's bowling roundup the other day Russ Simmons was top scorer for the week.

Have the gold dust twins of Giant radio fame merged? Maybe next week a Lon Hodges will pop up on the bowling scene.

Warriors Get 'Last Chance' Tonight

The last game of the regular National Basketball Assn. season takes place tonight at the USF gym and the San Francisco Warriors unexpectedly find themselves still in the battle for first place in the western division.

The Warriors managed to lose to Philadelphia, 111-110, Monday night and the St. Louis Hawks downed Detroit as expected last night so that the Warriors move into tonight's game with Philadelphia one game up with one to go. Tonight's game starts at 8:15.

If the Warriors win or the Hawks lose, San Francisco gets the $12,000 player pool that goes to the first place team and also gets a bye in the first round playoff action. It would then play the St. Louis-Los Angeles winner in divisional playoff action which is worth another $10,000 to the losers and $12,500 to the winners.

If disaster should strike the Warriors and the Hawks should tie them tonight, San Francisco would flip a coin with St. Louis to determine the site and then would meet the Hawks in a one-game playoff. The loser would then take on Los Angeles in three-of-five first round playoff action for the right to meet the winner.

Coach Alex Hannum of the Warriors is not counting on Detroit to beat St. Louis tonight.

"We've got to win this thing ourselves by beating Philadelphia," declared Hannum, who coached the 76ers himself the previous three season when they were the Syracuse Nats.

Meanwhile, an explanation was emerging today as to the technical foul which gave the 76ers their win over San Francisco Monday. The Warriors blew a 15-point lead in that one.

Guy Rodgers told Wilt Chamberlain to "take your time" with three seconds to go and then raised his hands. The referee thought that the Warriors had called a time out and knew the Warriors had no more time outs left to go.

Wilt Chamberlain also knew this and slammed the ball down on the floor in disgust.

The referee called a technical on Chamberlain and ignored the extra time out. Hal Greer hit the free throw to give Philadelphia the win.

Chamberlain declined to transfer the goat's horns to Rodgers yesterday.

"It was just one of those things and the less said about it the better," he said. "Nothing ever seems to come easy to us. We never should have let Philadelphia get that close to us in the stretch. But I think we'll take them Wednesday."

BACK IN FORM — Sandy Koufax, Dodger southpaw, showed that he was back this year in top form in his exhibition pitching debut yesterday against the New York Mets. But this year he has another pitch to add to his collection, a blooper. (AP Wirephoto)

Giant Trade Looks Better Every Day

PHOENIX, Ariz. (AP) — San Francisco's winter trade with the Milwaukee Braves looks better and better as the spring season continues.

Pitchers Bob Shaw and Bob Hendley continue turning in strong performances and catcher Del Crandall showed he can be a man to reckon with as he whacked a double yesterday, his first hit as a Giant.

Hendley hurled six innings against the Boston Red Sox as San Francisco captured a 4-3 decision for the eighth triumph in nine Cactus League affairs.

The southpaw worked out only 21 foes, struck out five, issued no walks and gave up just four hits and one run. Both he and right-hander Shaw are counted on heavily in the Giants' planning—Hendley primarily as a starter, Shaw as a starter and reliever.

Jim Duffalo was scheduled to test his arm today for the first time since March 12 when some soreness developed. He and Frank Linze were slated to face the Cleveland Indians at the new Phoenix Municipal Park.

Two front line hurlers, right-handers Bob Bolin and Jack Sanford were to get their work in a "B" game against the Bosox at Scottsdale.

Hendley, Shaw and Crandall all came to the Giants in the exchange sending Felipe Alou, Ed Bailey, Billy Hoeft and Ernie Bowman to the Braves.

The only Boston run off Hendley came in the third inning on a double by Eddie Bressoud and a bloop single by starting pitching Earl Wilson into short right field. Wilson allowed the Giants just one run on five hits in the four innings he worked.

Singles by Willie McCovey and Jim Hart plus a sacrifice fly by Chuck Hiller brought in the tally.

San Francisco got to rookie Bill Stanswick, a southpaw up from Seattle, for three runs in the sixth.

Willie Mays opened with a single and McCovey slapped his second of three hits in three trips. Mays scored on an up the middle single by Orlando Cepeda.

Cepeda continued to second as the Bosox tried unsuccessfully for McCovey at third. Willie scored on Hart's infield out with Cepeda advancing. Hiller came through with a successful squeeze bunt to score what proved the winning run.

Billy Pierce, the 36-year-old southpaw trying to stick with the Giants, pitched 2⅓ innings. He went out for rookie Duck Sparks after Boston rookies, Tony Conigliaro and Tony Horton brought a run with a double and single.

Bressoud popped up, Bob Tillman walked and then shortstop Jose Pagan preserved the victory, racing back to second to grab a bouncer from pinch hitter Russ Nixon and throw him out.

In a "B" game, the Giants beat the Chicago Cubs 9-6. Don Larsen gave up all six runs in three innings but southpaw Bill O'Dell blanked the Cubs the rest of the way.

Seals Host Blades In Crucial Tonight

The Western Hockey League standings are in confusion, but the San Francisco Seals can simplify matters by winning their last two games of the regular season.

If they can win their final two games against the Los Angeles Blades, the Seals are assured of a Western Hockey League playoff spot regardless of what Seattle does in its final four games.

But the Seals have won 3, lost 10 and tied 1 against the Blades in action so far and have yet to defeat the Blades when the latter had rookie net tender Jack Norris in the lineup.

San Francisco hosts the Blades tonight at 8:30 in the Cow Palace and plays its season-ender Saturday at the Los Angeles Sports Arena where wins come even tougher. It would seem that they especially need to win tonight.

General manager Bud Poile says that the Blades are simply not as tough as the Seals seem to make them. "It's ridiculous," he says. "Our club has built up a complex about the Blades and they'd better well get rid of it in these two games or it's going to be a tough summer."

Poile pointed out that the Seals can stop the Blades' first line, but Los Angeles reserve forwards like Harold White and Gordon Haworth have murdered them.

But Poile still predicted the Seals would overcome their jinx and win their final two games.

"I'm looking for Gerry Odrowski and Bobby Perreaut to put us in the play-offs," he said. "Odrowski is playing again like he did when he first came to us, all-star defense caliber," Poile said.

With two games to go, Los Angeles is in third place with 68 points and San Francisco is in fourth with a 31-34-3 record good for 65 points and fourth place. Seattle, which is at Portland tonight, has 62 points and four games to go. Los Angeles needs a win in the final two games almost as much as the Seals do.

EXHIBITION ROUNDUP

Sandy Koufax Comes Out With New Pitch—Blooper

By ASSOCIATED PRESS

For the opposition, the discouraging thing about Sandy Koufax isn't his awesome fastball or his sharp-breaking curve or the combination of the two, which renders hitters virtually helpless. It's the thought of him adding another pitch.

Koufax made his Grapefruit League debut yesterday and had New York Met hitters lunging and lurching at an assortment of pitches which included a new weapon — something Koufax needs about as much as J. Paul Getty needs another million.

The addition was a blooper pitch, something like the one Rip Sewell flashed at National League hitters in the 1940s. Sandy displayed it three times, getting it over twice for strikes in his five inning stint.

"I'm serious about the pitch," said Koufax. "As long as I can throw it for a strike, I'll use it."

The old Koufax arsenal was more than enough against the Mets, who managed just two hits. In their short history of futility, the Mets have been at their lovable worst against Koufax with a total production of exactly one run in 43 innings of exhibition and regular season action against the Dodger ace since May 1962.

Once rid of Koufax, who fanned seven, the Mets broke loose against old teammate Bob Miller with Frank Thomas' two-run homer the major blow. Los Angeles weathered the storm for a 5-3 victory.

Unbeaten St. Louis handed Cincinnati its first setback 4-2. Starter Harry Fanok doubled home the first two Cardinal runs and hurled three shutout innings to pick up the victory. Vada Pinson homered for the Reds.

Bob Buhl, Cal Koonce and rookie Sterling Slaughter limited the Los Angeles Angels to three hits for a 2-0 Chicago Cub victory. Lou Brock tagged loser Ken McBride for a solo homer.

The Minnesota Twins feasted on New York Yankee frontline pitching for a 7-2 victory, New York's third setback in four starts. Vic Power had four singles and Jimmie Hall a solo home run for the Twins as Al Downing, Ralph Terry and Whitey Ford hurled for the Yanks.

Norm Cash and Willie Horton slugged home runs as the DeDetroit Tigers dumped Philadelphia's Phillies 8-2. Cash drove in five runs as Detroit evened its Citrus record at 2-2.

Skinny Brown, Larry Yellin and Larry Bohannon allowed just three Baltimore hits as the Houston Colts nipped the Orioles 3-2 in 11 innings. Bohannon's one-out single delivered the winning run for the Colts.

Ted Savage smashed a two-run homer and the Pittsburgh Pirates came up with a run in the bottom of the 10th inning to edge Washington 5-4.

Three Tar Cagers Win All-Conference Honors

College of Marin's co-champion basketball team placed two of its cagers on the first squad of the All-Golden Valley Conference team and one on the second team, it was announced today.

Named to the first All-GVC team were forward Brad Busch and guard Ron O'Connell. Selected to the second team was the Tars' other hot-shooting guard, Jay Johnson.

Busch is from Drake High School, O'Connell is a former Marin Catholic cager, and Johnson played his prep days at Redwood.

Other members of the first all-conference team are forward Greg Peters of Napa, center Larry Maxey of Sierra and guard Jim Gray of Santa Rosa.

The other members of the second "dream team" are forward Joe Kelley of Napa, forward John Livie of Santa Rosa, center John Karlin of Santa Rosa and guard Bob Cameron of Santa Rosa. That left Santa Rosa, co-champs with Marin, with one player on the first team and three others on the second team.

Receiving honorable mention votes were Tom Donnell of Sierra, Jack Stoops of Shasta, Ralph Villaneuva of Sierra and Fulton Smith of Stockton.

WHAT A START! WOMAN GETS TOURNEY ACE

Mrs. William Brady opened the spring tournament at the Indian Valley Golf Club yesterday in fine fashion.

She shot a hole-in-one on the 135-yard fourth hole during the first round action, using a six iron.

Witnessing the ace on the Novato course was Mrs. William May.

Trophies Given At Las Gallinas

Mrs. Herbert Samuels and Mrs. Edward Dwyer were awarded Franchini trophies for their holes-in-one made this year at the Las Gallinas Women's Golf Club. The awards were made yesterday at the club during its St. Patrick's Day golf tourney.

Winners yesterday were:

Class A—Mrs. Warren Betts, 27.
Class B—Mrs. Albert Kaponat, 26½.
Class C—Mrs. Ted Steiger, 23.
Class D — Mrs. Ned Digrazia, 22½.
Class T—Mrs. Frank Snow, 24.

Raiders To Play In Las Vegas

OAKLAND (AP)—Las Vegas, Nev., will see American Football League play for the first time on Saturday, Aug. 29, when the Oakland Raiders and Houston Oilers meet in a preseason game.

The Nevada battle will be held at Cashman Field, a downtown Las Vegas facility which will seat 12,000. The Wilbur Clark Cavalcade of Charities is the sponsor.

Bardea Selected MVP For Marin Basketball Team

Pete Bardea, College of Marin center, was named most valuable player by his teammates on the Tars basketball team at a cage banquet last night at the Woodlands Restaurant in Kentfield.

Brad Busch and Jay Johnson were named co-captains and Bill Hodgson won the Harry Hicklin trainer's award.

Bardea's selection was made for his rebounding skill rather than his point-making efforts. Although not scoring high through the season, Bardea consistently led the Tars in rebounding.

Very Few Changes Involved In Proposed Hunting Rules

SACRAMENTO (AP)—The proposed 1964 hunting rules have been announced by the State Fish and Game Department, with no major changes involved except in some upland game seasons.

The proposals reported yesterday will go to the Fish and Game Commission April 3, with it due to announce its finding April 24 and adopt final rules May 29.

The department's suggestions included a mid-week sage grouse hunt, an extended mountain quail season and a late pheasant opener.

Here are the proposed seasons and bag limits by species:

Coastal deer — Aug. 1-Sept. 20 with limit of two bucks; archery season July 11-26.

Inland deer—Sept. 19-Nov. 3 with limit of one buck, forked horn or better except two bucks in parts of Humboldt, Siskiyou, Trinity, Shasta, Tehama and Glenn counties; Sept. 21-Oct. 13 in northeast with limit of one buck of three points or better. Archery season Aug. 29-Sept. 13, except Aug. 31-Sept. 15 in northeast.

Bear—Sept. 19-Jan. 3, bag limit two; archery season Aug. 29-Sept. 13 except. Aug. 31-Sept. 15 in northeast.

Pheasants—Nov. 21-Dec. 6, except continuing through Dec. 20 in Imperial and eastern Riverside counties; bag limit two per day and 10 per season.

Quail—Oct. 31-Jan. 3, except closing Dec. 13 in northeast, bag and possession limit 10. Special additional mountain quail season Sept. 26-Oct. 30 with limit of six.

Chukar—Oct. 31-Jan. 3, except closing Dec. 13 in northeast, four-biird limit.

Sage, Sierra and ruffed grouse—Sept. 1 and 2 in Inyo, Mono, Modoc and Lassen counties with total seasons limit of two. Central state Sierra and ruffed grouse season, Sept. 26-Oct. 4.

Tree squirrels—Oct. 31-Jan. 3 except closing Dec. 13 in northeast, bag and possession limit two per day.

Cottontai's—Sept. 1-Jan. 3, bag and possession limit five per day.

3 Marin Teams In Non-League Wins

Marin Athletic League baseball teams came away with three victories out of five practice games yesterday.

In three close games, Novato beat Petaluma, 6-4, Terra Linda topped Del Valle, 3-2, and Redwood downed McClymonds, 4-3.

In a game called in the bottom of the seventh inning by darkness, Drake and Hogan of Vallejo ended up in a 5-5 deadlock.

Vallejo inflicted a 10-2 loss on Tamalpais.

Petaluma	100 000 30—4 5 7

TWO REDWOOD TRACK MARKS ARE BROKEN

Two school records fell yesterday as Redwood High School's varsity track and field team crushed Terra Nova High at Pacifica, 97-16, in a practice meet.

Tom Strathairn leaped to a record 6 feet, 1¼ inches in the high jump, and Collie Janda cracked a school mark set by teammate Bill Dimpfl earlier in the year with a fine 12 feet, 6 inches in the pole vault.

Class B: Terra Nova 67, Redwood 46.

Class C: Redwood 54⅓, Terra Nova 40⅔.

School records set in the varsity: Tom Strathairn (R) 6-1¼ (HJ), (old record, 6-0, by Dave Auerbach); Collie Janda (R) 12-6 (PV), (old record, 12-5, by Bill Dimpfl).

Keller Paces Redwood To Swim Win

Freestyler Don Keller won the 200 and 400-yard events yesterday to pace Redwood High School's varsity swim team to a 72-23 triumph over Terra Linda High in a non-league meet.

The varsity meet's only other double winner was Pete Cowger of Terra Linda in the individual medley and 100 backstroke.

Varsity—Redwood 72, Terra Linda 23.

Winners: Don Keller (R) 200 free (2:03.9); Larry Herst (R) 50 free (24.3); Pete Cowger (TL) individual medley (2:28.5); Mike Smith (TL) diving (133.7); Steve Hoxie (R) butterfly (1:13.5); John Barrie (R) 100 free (57.0); Cowger (TL) backstroke (1:05.0); Don Keller (R) 400 free (4:36.0); Wally Nagel (R) 100 breaststroke (1:15.0); Don Kreuzberger, Barrie, Steve Hogrefe, and Herst, (R), 200 free relay (1:38.2); medley relay won by Redwood.

Class B—Terra Linda 50, Redwood 43.

Winners: Bob Friend (TL) 200 free (no time available); Jim Danse (R) 50 free (26.4); Bob Crowell (TL) individual medley (no time); Pete Banning (R) 100 free (1:01.4); Crowell (TL) 100 backstroke (no time); Yurquhart (R) diving; Bill Verran (TL) 100 breaststroke (no time); Friend (TL) 50 butterfly (no time); Von Lehr, Stephens, Stapp, and Verran (TL) 200 free relay (no time); Kyle, Skov, Jeff Rice, Kip Hoxie, and Bill Clark (R) medley relay (2:05.0).

Drake Swimmers Down Tamalpais

Drake's varsity swim team tipped Tamalpais 49-45 yesterday in a practice meet in the Drake pool, but the Tam Class B swimmers won their match with Drake, 48-37.

Doubles winners in the varsity were Drake's Gary Trowbridge with firsts in the 200 individual medley (2:28.3) and 100 backstroke (1:06), and Tam's Steve Donaldson with wins in the 200 freestyle (2:06.4) and 400 freestyle (4:17.6).

Novato Tennis Team Blanked By Analy

In a battle against a veteran Analy High team yesterday at Sebastopol, Novato High was defeated in tennis, 5-0. After a strong season last year, Novato Coach Ben Hicks is faced with a rebuilding problem this year.

Marin Tars Tennis Team Nips Drake

College of Marin's tennis team defeated Drake 3-2 yesterday in an informal scrimmage type match at Drake.

Winners for College of Marin included Rick Creighton and Bert Lemmon. Winner for Drake was Ron Skellenger.

S.R. QUARTET SETS SCHOOL SWIM RECORD

Led by double winner Jim Allen and a record-breaking relay team, San Rafael High School's powerful varsity swimming team swamped Montgomery High of Santa Rosa, 69-26, in a practice dual meet yesterday at Santa Rosa.

Freestyler Allen won the 200-yard event in 2 minutes, 4 seconds and the 400 in 4:29.4.

The 200-yard medley relay quartet of Rick Tegeler, Eric Phillips, Tom Knopf and Dave Strauss set a school record of 1:48.5. The old record was 1:48.8.

San Rafael's Class B team also breezed, 62-23.

BOWLING

683 Series In Tourney

Phil Wallace of Greenbrae Lanes holds an early lead in the upper division of the Gold Coast Classic tournament at Nave Lanes with a tremendous scratch series of 683 for three games.

Wallace, who sports a 199 average, wound up with a 685 handicap score last weekend.

Don Haggadon is leader in the lower division with a 591 handicap round. Another big score in the upper division was rolled by Ed Possusney, who posted a 646 series. Possusney is hardly a casual visitor to the bowling scene — he's in charge of the Bowling Proprietors Assn. for the 11 western states, and dropped into Nave Lanes to kick off the classic.

The handicap tournament opened last Saturday and will run for 10 weeks. Each weekly leader in each division in addition to receiving cash prizes, will qualify for the Grand Finals to be held in June. Twenty-five bowling establishments in Utah, Nevada, Oregon and California are holding simultaneous tournaments, and each house will send 30 top bowlers to the finals. Lower division leaders will compete at Nave Lanes and the upper division winners will go to Westlake Bowl in San Francisco for their finals.

Tam Golfers Defeat Drake By Forfeit

Tamalpais High School defeated Drake by forfeit yesterday in their scheduled non-league golf match at San Rafael's Peacock Gap Golf and Country Club. One of Drake's top golfers was late for his scheduled match and the Pirates forfeited the competition.

Baseball Tourney To Start

BASEBALL ACTION — More action like this will be duplicated Friday in San Rafael when the Marin Arthletic League baseball tournament begins at Albert Field. In this picture, taken during the league season last year, San Rafael's John Franzman slides safely into home plate ahead of the tag by Drake's catcher, Dennis Hannigan. The umpire is Charles Swenson. Hannigan is one of the returnees on the Drake team that won the Marin Athletic League championship last year. (Independent-Journal photo)

Marin Preps Start Play On Friday

There will be enough baseball for everybody Friday and Saturday when the Marin Athletic League baseball tournament has its two-day run at Albert Field in San Rafael.

There will be a total of nine prep baseball games played during those two days, four on Friday and five on Saturday.

In Friday's opening round, the first two games will be played at 3:30 p.m., one at Albert Field and the other at San Rafael High School's field. From that point on, the remaining seven games will all be played at Albert Field.

Redwood will take on guest school DeAnza High of Richmond in one of the opening games at 3:30 at San Rafael High's diamond. At the same time, San Rafael and Tam will be battling at Albert Field.

Then at 5:45 p.m., host school Terra Linda High and Drake will tangle, followed by a Novato-Marin Catholic game at 8 p.m.

SATURDAY ACTION

Winners of the San Rafael-Tam and Terra Linda-Drake games will start Saturday's action off at 11 a.m., and the losers will play at 3:30 p.m. The winners of the Redwood-DeAnza and Novato-Marin Catholic games will play Saturday at 1:15 p.m., and the losers of those games will play at 5:45 p.m.

All this action leads up to the championship game at 8 p.m. on Saturday. The champion team, then, will have to win three games in two days. It shows the importance of pitching in this tourney.

Defending tourney winner from last year is Marin Catholic, a team that beat Redwood High in the finals of 1963.

TOP TEAMS

Among the teams in the favorite role this year are Drake, Redwood, Terra Linda and Novato. Because of the returning strengtht of Drake, the Pirates rate as the team to beat this year.

Drake is the defending MAL champion team and has four all-leaguers returning this season so the Pirates will be tough. Returning to the baseball wars this year for Drake are 1963 all-leaguers Terry Tadlock, a shortstop; Charles Simontacchi, a pitcher; Lorry Galassi, centerfielder, and outfielder Lon Gallagher. The Pirates are 3-1 in practice game action so far this year.

TRADING STAMPS IN BASEBALL?

Mets Will Introduce Plan To Win Bunch Of Fans

By JIM BECKER

NEW YORK (AP) — When you lose 111 games, you've got to do something.

Like get some outfielders, a shortshop and a catcher or two. Or give away trading stamps.

That's what the New York Mets are going to do. Give away trading stamps.

Supermarket customers are going to get 2.5 million trading stamps in a big drawing in connection with the Mets opening game at their new stadium on April 17.

Another 5,000 customers will get free tickets for the opening game. And 24 will get season passes.

As you can see, it will be hard to tell the winners from the losers.

And you can expect scenes like these at the quick checkout counters all over town:

"I'll take two pounds of broccoli, a quart of slivivitz and three frozen pizzas, please. And don't forget the trading stamps."

"No trading stamps today, lady. You are the lucky winner of a ticket to the opening game of the New York Mets, instead."

"Either give me the stamps or take back the broccoli."

"Lady, I said you win a free ticket to the Mets instead of stamps. You are a winner in our big contest."

"A winner, you say? Mrs. Blotwurst won yesterday and she got stamps."

"Mrs. Blotwurst got the stamps because she won third prize, lady. You won second prize, a free ticket to the Mets."

WHAT'S FOR FIRST

"That's second prize? What do you get if you win first prize, I'm almost afraid to ask."

"Why a season pass to the Mets, lady."

"I think they've got that mixed up worse than a Casey Stengel sentence. The losers should have to go see the Mets, not the winners. Last year they lost 111 games. The year before it was 120. They never should have farmed out Marvelous Marv Throneberry. Give me my stamps or take back the pizzas."

"Take it easy, lady. You can win stamps all during the season. We're running a weekly contest, too. All you have to do is guess what the Mets record will be every week."

A CONTEST

"That's a contest? Last year they lost 22 straight on the road. If you run a contest like that, there is going to be a three million-way tie for first among all the people who guess .000."

"We're also running a contest for guessing the batting average for the week of the leading Met."

"Well, that's more like it. I'll enter that one. And I hope I win so I can give my stamps to Casey Stengle."

"Why Casey, lady?"

"I figure if we all get together we can get up enough stamps to get him a shortstop."

Outstanding Water Skiers To Demonstrate In Novato

Larry Penacho and Mickey Armsby, a pair of top-flight water skiers, will open the "Spring Skiing Season" at the Mira Monte Marina Water Ski School in Novato.

Penacho is 1963 U. S. national overall men's champion and holder of the United States jump record of 155 feet and the world's approved record of 151 feet. Amsbry was the 1961 U. S. men's overall champion.

The two skiers will make a 10-day visit at the school beginning Friday. Penacho hails from San Diego while Amsbry lives in Orange.

Early entrants to the school for the coming season come from as far away as Santa Ana.

On March 22 and 29, the two Sundays during the 10-day visit, the two champion skiers will give skiing demonstrations in front of the Marina, the shows starting at 2 p.m. It is open to the public, free of charge. Also on the Mira Monte calendar is the second annual Western Experts Water Ski Championships to be held the weekend of June 20-21, in conjunction with the annual Western Weekend festival sponsored by the Novato Junior Chamber of Commerce.

Archie Moore Picks Floyd Over Cassius

SAN DIEGO (AP) — Former light heavyweight champion Archie Moore says Floyd Patterson might "knock Cassius Clay kicking" if their proposed bout materializes.

Clay, who won the heavyweight title from Sonny Liston, suggested that the proceeds of the Patterson match go to the Black Muslims if he won and to the Catholic church if Patterson won.

Patterson is a Catholic and Clay has announced that he is a member of the Black Muslims.

Moore told a television interviewer last night:

"I think Patterson could more than match Clay with speed, and he packs a much deadlier wallop than Clay.

"If Patterson would land one of those hooks on Sir Clay, I believe 'The Mouth' would be lost. Clay didn't take a lot of punches in the head from Liston."

Liston won the title from Patterson.

Moore said he doesn't think the Black Muslims are anything "to become unduly alarmed about.

"This is just a Negro organization trying to band colored people together," Moore said.

Top Tennis Tourney In San Rafael

More than 200 entries are expected for the 67th annual Bay Counties Tennis Championships to be held at the Rafael Racquet Club in San Rafael, starting March 28.

The tourney will continue on March 29 and April 4 and 5. Entry deadline is this Saturday.

Because the San Rafael club has 10 courts available for matches, it will not be an invitational tourney, said Hal Wagner, tournament director. Entries have been "pouring in" for the open tourney, said Wagner.

Titles will be at stake in men's singles, women's singles, and men's doubles. Gary Rose of Orinda is defending the men's singles title, Rosemary Casals of San Francisco is defending the women's singles, and Hugh Ditzler and Clif Mayne of Berkeley, the men's doubles.

Entries are available from Wagner at the Rafael Racquet Club.

Mrs. Deane Wins Tourney

Mrs. Dudley Deane was the trophy winner yesterday with a net score of 63 at the Peacock Gap Women's Golf Club tournament.

Winners were:

Class A—Mrs. H. M. Lavender, 91-25—66; Mrs. T. Seeley, 92-23—69; Mrs. Victor Verdellet, 97-23—74.

Class B — Mrs. Dudley Deane, 95-32—63; Mrs. J. W. Dickover, 100-28—72; Mrs. T. Broedlow, 102-28—74.

HERE'S A hearty meal-in-one salad from the land of the plain folk—Eastern Pennsylvania. It's a warm, colorful combination of meat, and vegetables with a sweet and sour dressing and a garnish of crisp snack crackers.

Pennsylvania Folk Serve Up A Salad

There is an old Pennsylvania Dutch proverb "Better to die eating than fighting;" and these homespun folk have become famous for their hearty soups, scrapple, seven sweets, seven sours and shoofly pie.

IF WE could visit a spick and span Pennsylvania Dutch kitchen we would find shelves laden with homemade relishes, jams, and preserves. Food is prepared in the classic traditions of their 18th century German ancestors.

HERE is a recipe for a country-good salad that combines some of their staples: corn, sausage, and ham with a sweet and sour dressing. It should be prepared just before the meal so it can be served warm with crisp new snack crackers with the golden savor of chicken, another Pennsylvania Dutch favorite flavor.

HOT AND HEARTY SALAD

½ cup commercial sour cream
2 tablespoons sweet relish
3 cups ham, cut into ¼ to ½ inch strips
1 tablespoon butter or margarine
½ pound link sausages
1 cup cooked corn
1 cup cooked cut green beans
1 cup chopped celery, uncooked
¼ cup onion rings, uncooked
¼ cup sliced stuffed olives
¼ cup Pimiento, cut into julienne strips
Freshly ground black pepper to taste

Combine sour cream and sweet relish and refrigerate. Just before serving, saute ham lightly in butter. Drain on absorbent paper. Cook sausages according to package directions; drain. Cut each sausage into thirds. In a large bowl, combine cooked meat with next 6 ingredients. Add sour cream mixture and toss. Sprinkle with pepper. Serve warm with crackers. Maker 6 to 8 hearty servings.

Copper In Lettuce A Catalyst Helping The Body To Use Iron

NEW YORK (UPI) — Don't knock lettuce as "rabbit food." The oryctolagus cuniculis know a good thing when they see it, according to a scientific study at the University of Wisconsin.

The 1924 study showed that rabbits became anemic on a diet of milk only or milk with iron added. They were either immune to anemia or quickly cured when a small amount of fresh or dried lettuce or cabbage was added to the milk and iron diet. The study added that the copper in lettuce acts as a catalyst, helping the body use iron.

Men were crediting lettuce with medical properties as far back as ancient Greece. Galen, a Greek physician and writer, claimed lettuce cured him of childhood stomach disorders and later served as a soporific.

Ancient Romans served lettuce at the end of meals, but later began offering it as an appetizer, a custom popular in California today. In modern France, the salad course most often is served near the end of a meal.

Historians say lettuce probably originated in the isles of Greece, but it has grown wild in Europe and Asia for centuries, and has long been cultivated in Egypt and China.

Lettuce comes in three basic varieties: cabbage or head; bunch, which does not head; and romaine, also called Cos or leaf lettuce with long, straight, usually spoon-shaped upright leaves sporting thick, crisp middle ribs. It is believed to be native to the Greek island of Cos in the Aegean Sea.

In the United States, the best-seller is a head lettuce called "iceberg." It is solid and cool. This type was developed by the U.S. Department of Agriculture to save the southwestern lettuce industry four decades ago, when mildew and brown blight threatened.

Iceberg is always iceberg, but other types have aliases — market or colloquial names that reverse their botanical names.

The botanists' C. endivia includes two types known popularly as curly chicory and broad-leaved escarole. The former has narrow, curled feathery leaves; escarole has twisted, waved leaves with thick white middle ribs.

C. intybus, or chicory, is known generally as endive, French endive or witloof. It has thick, cream-colored leaves, 4 to 6 inches long, and 1 to 2 inches wide, pressed closely together and tapering to a point.

It is popular in Europe both as a salad plant and as a cooked vegetable — braised or served like spinach.

LEAFY TIP

Iceberg lettuce is good braised in butter or stuffed with cheese. To make the latter, core a large head of lettuce, wash it in cold water and drain well. Halve. Scoop out center. Reserve center for future use. Blend an 8-ounce package of cream cheese with 4 ounces of crumbled blue cheese and 2 to 3 tablespoons of cream. Pack into scooped-out halves. Chill well. Cut into 6 or 8 wedges and serve with crisp crackers.

Eating Place With Privacy Is More Relaxing To All

More and more people are seeking places at home to eat in a relaxed atmosphere, says Helen Bell, extension home management specialist at Penn State University.

If your home is an open plan and you want more private dining space, try changing your eating area, Miss Bell suggested. A sheer curtain or a screen on a ceiling track will give privacy while eating.

When separation isn't possible, consider moving your meal service to a table in the living room or another room. Very few people like to eat in a room cluttered with dirty dishes. (UPI)

Add Sparkle To Lenten Meals

Spicy pickled onions, colorful green peas, and crunchy chow mein noodles combine with protein-rich tuna to offer a refreshingly different salad which will add sparkle to Lenten meals. This combination complemented by crisp lettuce is appealing both to the eye and the taste buds.

The hearty protein punch in this salad will fill the bill as a main course or a satisfying luncheon.

Hearty Tuna Salad

2 cans (6½ or 7 ounces each) tuna
1 package (10 ounces) frozen green peas
1 cup thinly sliced celery
2 jars (3½ ounces each) cocktail onions, drained
¾ cup mayonnaise or salad dressing
1 tablespoon lemon juice
1 teaspoon soy sauce
⅛ teaspoon curry powder
⅛ teaspoon garlic salt
1 cup chow mein noodles
6 lettuce cups
½ cup toasted, blanched slivered almonds

Drain tuna and break into large pieces. Cook peas according to directions on package; drain. Combine peas, celery, onions, and tuna; chill. Combine mayonnaise, lemon juice, soy sauce, curry powder, and garlic salt; chill. Add noodles to tuna mixture. Add mayonnaise mixture and toss lightly. Serve in lettuce cups. Sprinkle almonds over top. Serves 6.

Bringing Back The Ham For Another Quick Appearance

A nippy-day dinner might be built around Upside-Down Ham Ring, a dandy way to bring the rest of the baked ham back for a second appearance.

Accompany with buttered canned corn and mushrooms, tossed vegetable salad, bread sticks and have apple pie with cheese for dessert.

UPSIDE-DOWN HAM RING: Grease a 5-cup ring mold. Sprinkle bottom with brown sugar, then spoon in the drained contents of a small can of crushed pineapple over the sugar. Combine ground cooked ham and fresh ground pork—you'll need 3 cups of meat altogether. Moisten with evaporated milk and add salt, pepper and dry mustard. Mix thoroughly, then press over pineapple. Bake about 45 minutes in a moderate oven, 350° F.

Let stand about 5 minutes before removing to a serving platter. Fill center with buttered canned whole kernel corn and mushrooms.

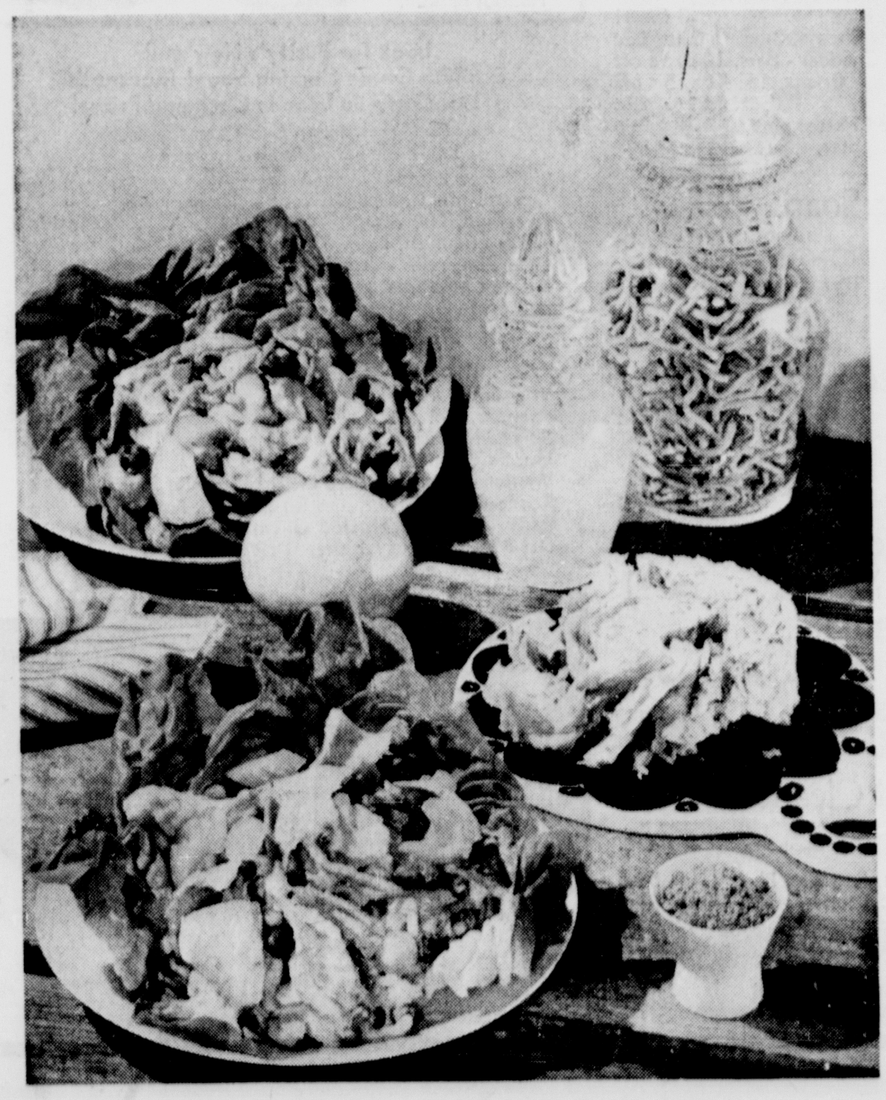

What Do You Eat? What's Your Address?

TOLEDO, Ohio (UPI) — In a nationwide survey involving 10,000 families, a consumer research firm came up with these facts about breakfast menus:

—New Englanders eat more toast and fruit juice for breakfast than anyone else; folks in the Rocky Mountain states drink less coffee; people in the South Atlantic states eat more eggs; westerners eat more pancakes and waffles.

Such As Haddock

Some good cooks like to use a strong-flavored fish such as haddock for a creamy fish chowder.

Israel Collective Settlements Fail —'Too Successful'

'Kibbutz' Movement Makes Too Much Money For People

By LEO HEIMAN
Worldwide Press Service

JERUSALEM — One of the basic doctrines of Israel's kibbutz movement is that money is the root of all evil. The trouble is that in this 50th year of kibbutzim, the collective settlements are making more money than they know what to do with. And their wealth is not only a moral embarrassment but a practical handicap.

It robs them of future manpower. While the kibbutz settlements were poor and had to struggle against a hostile climate and enemy raiders, they were regarded as outposts of the fledgling state — towers of strength in which young men and women were proud to serve.

But today they are safe, comfortable, profit-making agricultural and industrial enterprises. They have swimming pools, espresso coffee bars, high-class residential quarters for the settlers, and hired labor.

Young Israelis, even the kibbutz settlers' own sons and daughters, no longer see anything special, patriotic or self-sacrificing about being a kibbutznik. They do not regard kibbutz life as a challenge, but as a bore.

As a result, no new kibbutzim have been established in the last six years. (Five collective settlements were organized but by the Israeli Army's Nahal Agricultural Settlement Corps.) Also, the number of kibbutzniks in the old settlements (there were 219 in 1963) is dwindling fast.

Many sons and daughters of the veteran settlers leave as soon as they grow up and complete their military service. And this shortage of manpower forces the settlements to hire outside labor.

Efficient utilization of the hired labor demands automation and mechanization of work. Moreover, most settlements have built workshops and industrial plants to convert their own agricultural products into profitable canned goods or into industrial products — such as plastics, alcohol, fiberglass, plywood, textiles, etc.

This industrialization has brought more profits, increased the demand for expansion and more hired labor.

Thus the kibbutzim have been caught in a vicious circle. As their own manpower dwindled, the veteran settlers in many kibbutzim were reduced to the role of inspectors and overseers of hired labor.

Instead of being islands of "pure socialism" in a materialistic world—as envisaged by the 19 Century Zionist-Marxist dogmatist, A. G. Gordon—the kibbutzim "deteriorated" into strongholds of profit-making, labor-exploiting capitalism.

A stormy meeting of all four groups of the kibbutz movement—religious, left-wing socialist, right-wing socialist, and middle-of-the-roaders — held in Jerusalem recently, resolved to revive the old kibbutz spirit of "pure socialism" by selling their workshops, plants and industrial-agricultural enterprises to an investment corporation set up by the central federation of labor unions.

This corporation is pledged to regard the hired workers as shareholders, to give them part of the profits, and to pay them the same allowance as those guaranteed to kibbutz settlers.

Some settlements are defying the resolution by refusing to sell their profitable enterprises.

Still other kibbutzim claim the so-called "solution" is phony. They point out that the money received from the investment corporation will be used to set up new enterprises and develop other industrial-agricultural branches.

This, in turn, will bring more wealth and more problems.

Moreover, the workers will get their share of the profits for working in the plants, but the kibbutzniks will be paid for setting them up in the first place, rather than actually operating them.

"This is parasitic profit-making," contends a spokesman for the purists. "We want to be simple farmers again, plowing our own land and utilizing our own muscles and sweat—without bonds, debentures, shares of stock, investment corporations and capital gains. So long as the kibbutzim make money we do not have socialism."

Patriotism In Schools Due Airing

A panel made up of three teachers and one woman from an American Legion auxiliary will explore the question of whether today's schoolchildren are being encouraged to be patriotic at 9 a.m. tomorrow on the radio KTIM "Marin Sounding Board" program.

Moderator Kitty Oppenheimer said the panel would include Mrs. Laura Beswick, Glenwood School fifth-grade teacher; Duane F. Miller, social studies teacher at Drake High School; Albert Gautraud, Terra Linda High School social studies teacher, and Mrs. John L. Bodeen of the San Anselmo American Legion Auxiliary.

Mrs. Beswick conducts a yearly program among her students called "American Heritage." Mrs. Bodeen is chairman of the Legion's Americanism Essay Contest.

Listeners may call questions in to the panel while the program is on the air. It will be rebroadcast at 12:30 p.m. Sunday.

Brown Hoping For Controls On Auto Smog

FREMONT (AP) — Gov. Ed G. Brown said today he hopes controls designed to cut down air pollution caused by automobile exhaust fumes can go into effect in California by 1966.

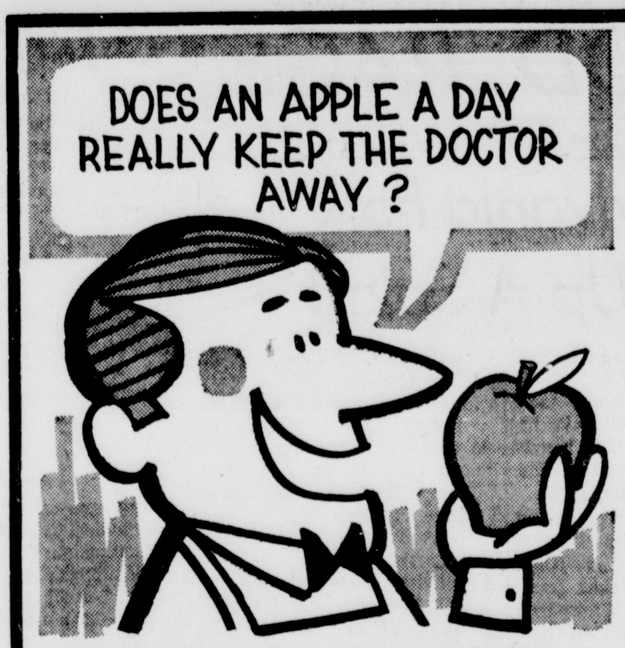

That would be 12 months ahead of the target year of 1967 which has been set by the Automobile Manufacturers' Assn.

The governor predicted that California will eventually solve its automobile smog problem —"and all the other problems engendered by a rapidly growing state."

Brown made his statement in a speech prepared for dedication ceremonies marking the opening of a General Motors assembly plant here. The plant will employ 4,100 workers at an annual payroll of 24 million dollars.

Crystalball Shows Space Cities In Next 50 Years

'Battleships' To Be Major Medium For National Defense

By WILLIAM C. HARRISON

SUNNYVALE (AP) — Space cities and fleets of "warships" cruising at altitudes of 100 miles to 50,000 miles are predicted by two experts on advanced space age propulsion.

A look 50 years into the future was outlined for newsmen recently by executives of United Technology Center, rocket division of United Aircraft Corp.

Rockets will be launched into orbit, then clustered to form cities in space, said H. R. Lawrence, vice president of the division. The space centers, he added, will provide launching sites for interplanetary vehicles.

President Barnet R. Adelman said battleships stationed at various altitudes will make space the major medium for national defense. Technological developments before then will "make space the major medium for national defense. Technological developments before then will "make the seas transparent" and Polaris-armed submarines detectable, he explained.

Adelman discounted rocket travel between points on earth in the next decade or so. Too expensive and uncertain, he said.

Not many people would step up to a ticket window and say "Give me a chance to New York," Adelman pointed out.

Perhaps a detachment of Marines could be rocketed to any point on earth in 20 minutes, he commented. "But a supersonic plane to get them there in an hour and a half might be a more reasonable target."

Adelman said that later rockets will be recoverable, reusable and more economical than at present.

Turning to prospects of the rocket-building industry, Adelman said near-term leveling off could be expected followed by "some expansion over the next six years."

Strong and well-managed companies will survive cutbacks in space and defense requirements, he declared.

The great problems of modern time—the population explosion, over-crowded cities, smog, highway traffic control and water distribution-demand a systems engineering approach, Adelman said.

"Our industry knows systems procedure — these are systems problems," he said.

Argument Lands Novatan In Jail

An argument between two men in Novato Monday led to one arresting the other for assault with a deadly weapon.

William Everett Williams, 77, of 1654 Center Road, Novato, was booked into Marin County Jail on the charge, with bail set at $1,100.

Edgar Bruce Haun, 55, of the same address, told Novato police he and Williams had an argument when Williams pulled a switch blade knife on him. Haun made a citizen's arrest and then called police.

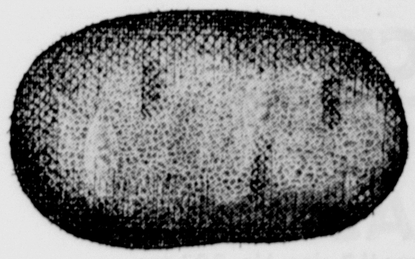

Found Not Guilty Of Driving Charge

Eleanor Kyle Cunningham, 39, of 94 Blackstone Drive, Marinwood, was found not guilty in Marin Municipal Court Monday on a charge of drunken driving.

Judge Joseph G. Wilson heard the testimony which began Friday. The defendant was arrested by California Highway Patrol on Feb. 10.

mash it.

(same great flavor!)

And here's the real reason why: a potato from Idaho comes from the place potatoes grow best. They thrive on fresh mountain water and rich volcanic soil—at the perfect growing altitude. So the flavor is there to stay. Mash your Idahos (or mix them up instant) and you'll get the fluffiest, whitest and best eating potatoes anyone's ever put a fork to. San Rafael's Front Yard Mess Is Most Disgraceful

San Rafael has a disgraceful mess in its front yard.

It is overdue for public attention and corrective action. We refer to the Northwestern Pacific Railroad right-of-way in the middle of Tamalpais Ave. between Fifth and Mission Streets.

You couldn't spread a blanket on the grass under the trees there without covering half a dozen or more old beer cans.

You might even cover a wine or whiskey bottle, for good measure. If you could call anything about the situation "good."

Who is to blame for this mess in our front yard? (It's one of the first things you pass when you enter San Rafael from the Mission Ave. off-ramp from Highway 101).

Although the mess is on the railroad right-of-way, it wouldn't be cricket to blame the railroad because they haven't run trains there since the tunnel caved-in a couple of years ago.

You can't blame the city park department, since the area is not that body's responsibility.

The blame has to lie with the people who toss the cans, bottles and other debris there.

And who are these people?

Mostly they are the union members who hang around the Union Hall at Tamalpais and Mission, waiting for work calls.

This abominable situation reflects no credit on these men, their unions or their leaders.

The least they could do is "turn out a detail to police the area," as they used to say in the army.

Beyond this, the situation does NOT reflect credit on law enforcement agencies either. We have anti-litter laws. Obviously they aren't being enforced along Tamalpais between Fifth and Mission. And, obviously, they need to be enforced there.

The sooner that city officials get together with union officials and bring an end to this disgraceful scene, the better.

The Floral Morning After

After their great blooming binge, the acacias go through a kind of floral morning after. Their once bright yellow, fluffy blossoms turn orange and then a sodden brown.

For a month or two now, they will be as ugly as they once were beautiful. And later in the season they will be heavy with thousands of brownish-purple seed pods—each holding several bean-like seeds of potential new acacias. The owners of these trees have to keep their eyes open. Otherwise, they are apt to find their gardens are an exclusive acacia forest.

Once established, acacias will sprout from their sawed off stump. They cling tenaciously to life. Yet, their feathery leaves and powder-puff blossoms make them one of our most attractive trees.

Unruh Bill Would Relieve Board Of 2,000 School Districts' Ills

By HENRY C. MacARTHUR

SACRAMENTO (CNS)—Although prime problems exist in the proposed transition of individual school districts into county-wide districts, as suggested in the measure introduced by Assemblyman Jesse M. Unruh (D-Los Angeles), speaker of the House, there appear to be no problems which cannot be solved.

This was evidenced as the result of attendance at a meeting of the State Board of Education in Sacramento, where it was found that much of the board's time is taken up with minuscule problems of which district should be aligned with which other district, rather than a grasp of the over-all picture of the importance of education to the entire state.

A visit to the meeting of the State Board of Education is an education in itself. A stand providing coffee and orange juice is located just below the rostrum, where the members can help themselves which they frequently did during the session.

AND THE MEETING is not without its humorous events. In the middle of an impassioned plea against approval for inclusion of one district into another district, Milton Schwartz, Gov. Edmund G. Brown's newly appointed member fell off his chair with a crash that awakened the entire room.

Whether Schwartz was asleep can't be determined. But if he wasn't, he had good excuse to be, for the dull and sometimes incomprehensible arguments put forth by representatives of the school districts were more than sleep-inducing. They encouraged deep slumber.

No doubt the State Board of Education, which is responsible in a measure for the educational welfare of all the young people of California, at least up to the state college level, is entitled to something more dignified.

AT THE VERY least, the board is entitled to limit its consideration to over-all problems, rather than to those of the more than 2,000 individual districts.

But it is not the board's fault that it must consider these problems. State law provides that the board must be the final arbiter of decisions reached in counties, and between districts, on unification and combining districts.

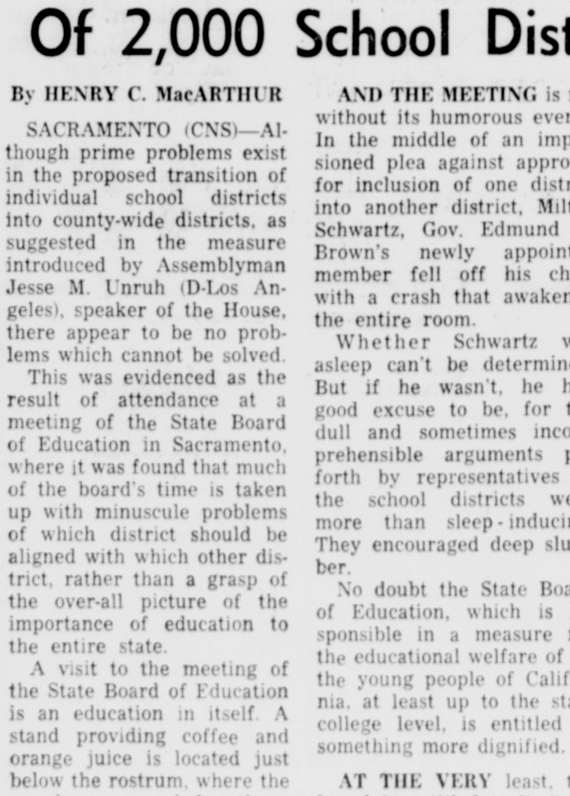

Under Unruh's proposal there would be no necessity for the arguments. Districts would be spelled out for the most part, with each county forming its own district, perhaps plus some areas of other counties.

IT'S REASONABLY obvious that not everyone is going to be happy if certain school districts are eliminated to become part of a county-wide area which will have control of all the schools in the county.

But on the other hand, the advantages gained in time are bound to far outweigh dissatisfaction that may occur in changing from ancient methods of administration to the streamlined procedures which are necessary these days to keep costs at a minimum level.

These advantages to the taxpayers of the community are seen in a decrease in expensive administrative personnel, a combining of buying functions and other matters which will save money in the long run.

WHAT OUR READERS SAY

Once A Paradise, Now Dogs, Dogs . . .

Editor, Independent-Journal:

It is now the second time that I am here in Woodacre as a visitor from Europe. Nine years ago I was here 10 months and enjoyed very much that nice little village with all its hills. The life here was so peaceful and in the nights there was a deep silence—only the deer came down from the hills to eat the flowers in my daughter's garden. You could only see them, if you waited for them, but never you heard them.

Coming from a noisy industrial center, I imagined to live here in a paradise.

Now I am here again since four months. Woodacre has changed a little—there are more houses, but they are scattered over the hills. The nature is beautiful as ever and Woodacre could still be a paradise—it could. . . . Today it is only a paradise for dogs, dogs in all sizes and races. The whole day they are lying in the streets or nearby and wait for the next human being to bother. My little grandsons sometimes come too late to the school bus because the dogs didn't let them hurry. A few days ago I had to go down to the village for shopping. I like very much to walk, but this trip was all but a pleasure. From all sides the dogs ran against me, they jumped at me—I never knew when they would bite me. And sometimes we drive down the winding streets, it is just as sitting in a troika in Russia amidst the wolves. Often you have to stop so fast that it is dangerous to sit in the car.

And the nights, they often are awful. One dog is beginning to bark (unfortunately sometimes in front of my window) and one, two, three till about 20 dogs answer. I don't know what they are enjoying or complaining. I don't care. But my sleep is disturbed and my good humor, too.

In Woodacre there are many families without a dog and many families who keep their dog under control. All these people are bothered day and night by the dogs which roam around.

People told me there is an ordinance against this condition. Apparently this ordinance is not enforced. When in six weeks I have to leave Woodacre again, I am sorry that I cannot remember it as that little paradise I liked so much.

Questions Raised About Span Finances

Editor, Independent-Journal:

The San Francisco Chronicle in one of its recent editorials seems to be concerned about "Keeping the ugly arches off the Golden Gate Bridge," and takes the stand "that public money will be wasted."

The thing that bothers me is the public money part.

Does the G. G. Bridge District publish an annual statement?

Is the bridge paid for?

If not, how much cash does the district have on deposit, and where?

If a large amount, why don't they use it to pay off the outstanding bonds rather than pay interest?

The facts may be of interest to many folks.

C. GEORGE YOUNG

(The bridge publishes periodic financial statements which are available for public scrutiny. The bridge piles up substantial reserves but cannot use them to pay off the debt because the original bonds were non-recallable. The reserve earns interest in government bonds and bank savings accounts.—Editor)

Courts Are 'Cruelty Joke' For Negroes

Editor, Independent-Journal:

Why, your editorial of Mar. 12 asked, don't the Negroes pursue their rights through the courts? The answer is that the courts in our country have proved to be a "cruelty joke" for Negroes. Do you need proof? Take the 1954 Supreme Court's decision on the evils of public school segregation. Today, after 10 years have passed, less than one half of one per cent of the Negro children in the states effected are attending integrated schools. Rulings — "that there is no such thing as a class action" such as Mollen's in Montgomery add to the frustration which Negroes feel regarding the slow action of the courts.

You speak of taking law into one's hands with what seemed to me to be unspeakable crasitude. What laws were taken into the Ad Hoc committee's hands? I have yet to see you editorialize on the fact that Negroes' voting rights are denied and that the fourteenth amendment to our Constitution states that 'when the right to vote is denied, . . . the representation (in the House) shall be reduced . . . Now there is a law which is being taken into the hands of white southerners, crushed and destroyed.

Most editorialists know what to do in order to achieve brotherhood but they refuse to tell anyone. Where is your plan?

New Bridge Idea Is Design Masterpiece

Editor, Independent-Journal:

I was greatly impressed with the drawing and article in the Journal, relative to the proposed single-tower bridge connecting Marin to San Francisco. Without a doubt, it's a masterpiece in design. The only change I would propose in the design would be to include provisions for "rapid-transit" trains, and I would like to see a different top on the tower.

TRY AND STOP ME

BENNETT CERF

THE HAZARDS involved in the acting profession were emphasized when a thespian suddenly collapsed on stage in the middle of Act Two. The manager rushed out of the wings, examined the fallen star, then explained to the audience that the poor man, in his haste to get his make-up on, had dipped his false mustache into ether instead of gum arabic — and had anesthetized himself!

AN AFRICAN chieftain's daughter was offered as a bride to the son of a neighboring potentate in exchange for two cows and four sheep. It was agreed that the big swap was to be effected on the shore of the swift-flowing stream that separated the tribes. Pop and his daughter showed up at the appointed time on one side of the stream only to discover that the bridegroom and his livestock were waiting on the other side.

"Stupid fool," grunted the father of the bride. "He does not seem to know which side his bride is bartered on."

700 Years Of Struggle Led To Last Week's Ruling Backing Press

WASHINGTON (AP) — The Supreme Court has gone further than it ever has in protecting press freedom to criticize the government. But it took 700 years of American-British history to reach this point.

In a unanimous decision last week the nine justices said:

Citizens and newspapers don't have to fear damages for libel in criticizing public officials official conduct, even though the criticism is untrue, unless actual malice can be proved. And that takes some proving.

Nevertheless that attached condition—liability for damages if malice is proved—stops short of giving the press a blank check. It stopped too short for three justices: Arthur J. Goldberg, Hugo Black and William O. Douglas.

THEY WOULD have gone all the way and given newspapers an absolute privilege in criticizing public officials. This was the thinking behind the decision written for all nine by Justice William J. Brennan.

So long as a newspaper has to fear a damage suit, because something it says may be in error, it is discouraged from freely exercising its right under the Constitution to criticize the government.

Therefore, truth no longer has to be proved; only malice does.

The press got to this point over a road going back to the 13th century in Britain when freedom was the privilege of kings and the excuse for suppressing any criticism was the need to preserve government.

ANY CRITIC of the king could be jailed, branded, tortured, or executed. Gradually, as the British people inched toward freedom, came censorship and near the end of the 16th century a licensing system was devised.

This was a stiff restriction. No book could be published without a license. Even by the middle of the 17th century the number of presses and printers was limited. It was a crime even to criticize a magistrate.

There was an excuse for this, too: to prevent the public from getting the impression the king's servants were corrupt. After licensing was abandoned a restriction was used: a tax on printing.

THIS WAS to gag the press and ruin small papers. Eventually, the truth of a criticism became a sufficient defense. The British didn't reach that point until the middle of the last century.

The United States reached it earlier but only after a lot of pain. The British colonial governors brought Britain's press restrictions here. The colonies went through the same routine: licensing, censorship.

The governor's grip was so tight a colony might have only one newspaper or none.

Even with the framers of the American Constitution, the Bill of Rights—the first 10 amendments guaranteeing, among other things, freedom of speech and press—was an afterthought.

Even here the lessons were learned the hard way.

In 1798 the American government ignored the Bill of Rights when Congress approved the Alien and Sedition Acts. One of them made it a crime to publish "false, scandalous or malicious material" against the government.

Although those acts only lasted until 1801, 10 persons were convicted under them. From then on truth became a defense. But through the years the Supreme Court seesawed on press freedom, always holding to restraints.

Last week's decision was truly a landmark because now the American press has less restriction than ever in criticizing government officials. This applies, of course, only to their official acts, not their private ones.

THE ALLEN-SCOTT REPORT

Lodge Quietly Seeks To Extend Viet War

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — Ambassador Henry Cabot Lodge, the hottest dark horse in the Republican presidential race, has written a number of letters of the type that got Gen. Douglas MacArthur recalled during the Korean war.

He has sent messages to political friends in Congress from Massachusetts revealing his recommendations to carry the war in South Vietnam into the Communists' sanctuary in North Vietnam.

Lodge reports that he has recommended to President Lyndon B. Johnson that the U. S. conduct hit-and-run raids on industrial plants and communications centers in North Vietnam, and send guerrillas across the border to disrupt the movement of Communist arms into South Vietnam.

In 1951 MacArthur's letters to the then minority leader Joseph Martin (R-Mass.) urging him to support his recommendations to carry the war into Communist China resulted in the general's recall and replacement by President Harry S. Truman.

CONGRESSIONAL supporters of Lodge report that the ambassador plans to "resign" his post in Saigon if his recommendations to carry the war to the enemy are rejected.

Both Defense Secretary Robert McNamara and Secretary of State Dean Rusk oppose extension of the war into North Vietnam. McNamara favors stepping up the war inside South Vietnam, Rusk wants to end it through "political negotiation."

DURING McNamara's inspection trip in South Vietnam, Lodge vigorously protested a McNamara-Rusk order prohibiting U. S. helicopters from flying closer than three miles off the Cambodian border.

According to Lodge the Viet Cong Communist forces after striking at South Vietnam's army units move back across the border at Cambodia. He claims the helicopter prohibition hinders the U. S.-supported effort to destroy the Viet Cong guerrillas before they escape to their secret base in Cambodia.

The White House is aware of the Lodge letters. Aides of the president are reportedly trying to obtain copies before any decision is made on what to do about Lodge.

CONGRESSIONAL investigators have uncovered another report from Michael Goleniewski that is being suppressed by State Department and Central Intelligence Agency officials.

The report, by the 41-year-old Polish-born agent who defected in 1961, gives the first inside details of how near Poland was to throwing off its Red yoke in 1956.

It reveals that a group of Polish officers, with 20 army divisions under their command, offered to revolt following the Poznan riots, if the U. S. would go to their support.

Goleniewski said the offer was relayed to officials in the U. S. embassy in Warsaw who, after several days, reported that the U. S. government would give no help.

Litterbugs On The Run—Now Clark Wants To Ban Teen Smoke Sales

LARKSPUR IS a little city hidden amongst big redwood trees.

Who would suspect it of being the scene of a big police "crackdown" last week with another one in the offing?

Yet police chief Howard Clark lowered the boom on litterbugs. In the future, he proclaimed, police will regularly cite persons for littering city streets.

Clark started making good on his promise this weekend. A large number of warnings were handed out. Police started in earnest citing persons Monday.

For this action, the chief gained a lot of compliments. A lady in Santa Venetia called him to state, "I am glad there is one police department who is willing to do something about it."

DECRYING THE LACK of enforcement by the sheriff's office, she told Clark that the area surrounding her home was "filthy" with litter dropped from cars.

One frustrated Mill Valley man, who for years has been taking down the number of license plates of cars whose occupants dump trash out on the streets and turning the numbers over to police, is elated over Larkspur's venture into enforcement on the law as written in the books.

THE MAN told the chief that he has been turning the numbers into police but does not know what they have done with the information he has furnished them. Now he knows where to get results.

But this is only the beginning.

Sparked by the favorable comments for his anti-litter war and a letter sent out by Gov. Edmund G. Brown, the chief is considering cracking down on the sale of cigarettes to persons under the age of 18 years.

BROWN SENT out a letter to law enforcement agencies asking for "vigorous enforcement" of the law prohibiting the selling or furnishing of tobacco to minors.

This law has been part of the state's penal code since 1891.

Said the chief, "We are going to start enforcing this law, just as we started enforcing the litter law."

Clark said he would keep an ear peeled to hear what other law enforcement agencies will do in response to the letter Brown sent out.

At the same time he will send letters out to Larkspur merchants reminding them of the law.

MOST OF THE SALES to minors, Clark said, are over the counter in grocery and drug stores, and not through cigarette vending machines.

It seems that here is one police chief who has done some thinking on his department's policy on enforcing the laws.

ART BUCHWALD

Thinking Man's Taxi Driver Sure Barry Never Said Those Things

WASHINGTON — The primary results in New Hampshire still have Washington pundits scratching their heads. Henry Cabot Lodge, whose campaign slogan was "If I am elected I will return to the United States," defeated Sen. Barry Goldwater, who ran on a ticket of "I'd rather be Far Right than President," and Gov. Nelson Rockefeller who found out not only that you can't take it with you—you can't even use it to win a lousy primary in New Hampshire.

A taxi driver who was a big Goldwater supporter told us on the way to work the morning after the primary that the senator from Arizona had been defeated by a very biased and unfair press.

"How's that?" we asked him.

HE COULDN'T have said all those stupid things the press quoted him as saying."

In any case the write-in for Ambassador Lodge in New Hampshire has changed the political strategy of every candidate now running for the highest office in the land.

We happened to sit in on a conference for Barry Nelson Goldfeller yesterday and some of the best political minds in the country were discussing their strategy for future primaries.

"Okay," the campaign chairman said, "nobody would listen to me, would they? I told you we couldn't let our man go into New Hampshire, but you were all against me. You said 'Once the voters see Goldfeller, they can't help but be impressed.' Do you realize that before Goldfeller went to New Hampshire we had 45 per cent of the vote and when he left we had 2 per cent?"

YOU'RE RIGHT, boss," the public relations man admitted. "We miscalculated, but it wasn't all our fault. How did we know Goldfeller would tell the people where he stood?"

"All he said he wanted to do was to go there and shake hands," an adviser added.

Another adviser said, "I still think his big mistake was saying we should drop the atom bomb on Canada if they persisted in importing cigars from Cuba."

The treasurer said, "That wasn't half as bad as his promise to close all the public schools in the United States and turn them over to private enterprise."

The public relations man said, "The thing that really did it in my book was when he vowed that if he was elected he would send all unemployed people to jail."

THE CHAIRMAN held his head in his hands. "Even that was better than his promise to put a tax on poor people so they would have to pay their own relief benefits."

"Well," said an adviser, "there's no sense crying over spilled milk."

"That reminds me," the public relations man said, "why did he come out against milk for school children?"

"He said pasteurization came from France, and everyone knew that France had a socialist government."

HE ALSO SAID he was against the Salk vaccine because people in the United States should be free to choose if they wanted to have polio or not. He cited it as another example of the government's encroaching on individual liberties."

The chairman said, "Let's forget what he said and think about the Oregon primary."

Everyone agreed.

"There is only one thing we have to decide on," the public relations man said.

"What's that?"

"When we enter the Oregon primary, how the hell do we keep him from going there?"

REMEMBER WHEN?

10 YEARS AGO

J. and W. Lumber Co. of Eureka leased a 4.75-acre parcel in Sausalito and planned to install the county's first lumber drying kiln there. Enrollment at College of Marin rose 7 per cent, from 416 regular students in the spring of 1953 to 445 in the spring of 1954, announced registrar Grace Donnan.

A runaway truck smashed into the basement wall of Lyle Hopper's home at 12 Ross Street, San Rafael.

20 YEARS AGO

Air Scout Squadron 1, sponsored by the San Rafael Exchange Club, boasted 16 members.

Two films, "Hand in Hand," showing what school children were doing through the Junior Red Cross to further the war effort, and "No Greater Glory," dealing with the duties and history of war nurses, were shown to meetings of the Girls League and boys organizations at San Rafael High School.

Voter Night Set At Ross School

A second "information night" has been scheduled for 8 p.m., April 2, at the Ross School multi-purpose room, to acquaint voters with details of the April 14 bond issue and tax increase election.

The district is asking voters to approve a 50-cent tax increase and a $400,000 bond issue, to meet rising costs of running the school.

Prime uses which would be made of the bond issue funds, according to Supt. William W. Monahan, would be to refurbish the present building, purchase property for future building and to add seven new classrooms.

ALMANAC

Today is Wednesday, March 18, the 78th day of 1964 with 288 to follow.

The moon is approaching its first quarter. The evening stars are Venus and Jupiter.

On this day in history:

In 1902, Enrico Caruso became the first artist to recognize the importance of the phonograph when he recorded 10 arias in a Milan, Italy, hotel room. He was paid $500.

In 1937, 426 persons were killed—most of them children—in an explosion in the consolidated public school in New London, Tex.

In 1954, Howard Hughes bought RKO Pictures Corp. for 23 million dollars and became the first individual to be sole owner of a major motion picture company.

In 1962, the cease-fire between France and Algeria was signed, ending a seven-year war in the North African territory.

A thought for the day: Grover Cleveland once said: "Public officers are the servants and agents of the people, to execute the laws which the people have made."

TIME AND TIDE

Department of Commerce, United States Coast Geodetic Survey. Western District headquarters. Times and heights of tides at San Francisco (Golden Gate):

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. Lightface type indicates a.m. times; **bold-face type** indicates p.m. times.

HOW TO PLAY

WINNING BRIDGE

By ALFRED SHEINWOLD

Use Antique Strategy In Choosing Bridge Discards

When you're buying an antique table, my wife tells me, the best strategy is to look at chairs and sofas but not at tables.

If you need practice to develop this kind of sneakiness, you can get a workout with a certain kind of bridge hand.

Opening lead — ♡ Q

South won the first trick with the king of hearts, led a trump to dummy's ace, and got back to his hand with the ace of hearts to lead the queen of spades.

SECOND ROUND

Since South was more interested in dummy's diamonds than in dummy's clubs he threw a diamond from dummy on the second round of trumps.

West returned a heart for South to ruff, and South threw another small diamond from dummy. Declarer drew the last trump and threw a third small diamond from dummy.

East thought somewhat painfully before discarding on the third round of trumps but finally parted with his last heart. South promptly led another trump, discarding, at last, one of dummy's low clubs.

RESISTS PRESSURE

East knew that South had started with seven spades and two hearts. He didn't know whether South had started with three diamonds and one club or two of each. But he could resist the pressure for one more trick, and East therefore threw one of his clubs on the fourth round of trumps.

South thereupon led his next-to-last trump, discarding another low club from dummy, and East was up against it.

A club discard would be fatal if South held two clubs; South would lose a finesse with the queen of clubs, but could cash dummy's ace of clubs and win a trick with dummy's six of clubs.

EAST INFLUENCED

East was influenced by the fact that South had thrown away dummy's low diamonds as though he had no interest in the suit. East therefore discarded the deuce of diamonds.

Now South could lose a diamond, losing the king to East's ace. East had to return a diamond to avoid giving dummy a free club finesse.

The diamonds all dropped, and South's nine of diamonds became good, giving him game and rubber.

♣ A Q 6 3 2

What do you say?

Answer: Bid one diamond.

In general, start with the higher suit when your suits are of equal length. Don't be dissuaded by the fact that the clubs are much stronger than the diamonds.

TRAVEL AGENT IS HELD TO ANSWER

10 Counts Of Grand Theft Against San Jose Man For Stranding 100

SAN JOSE (AP)—Travel agent Jerry Davis, 37, was held to answer yesterday on 10 counts of grand theft, brought after 100 of his clients were stranded in New York last summer.

Municipal Judge Edward H. Nelson ruled, after a five-day preliminary examination, that Davis must answer the charges in superior court April 3.

Judge Nelson dismissed a 10-count charge against Davis' wife, Gloria, 40.

Mark Cali, attorney for Davis, argued that the travel agent had no intention of defrauding the passengers who were stranded at Idlewild Airport June 30.

Bernard Dahlin, one of the stranded passengers, testified that a notice posted on the airport bulletin board by International Airlines, which was to have flown the tourists to Paris, said Davis had been informed the flight was canceled because it did not qualify for reduced charter rates under Civil Aeronautics Board regulations.

Cali argued that the airline had contracts to take the Davis party overseas; that the line was not under CAB regulations, and thus, in effect, had no right to involve the regulations so as to cancel the flight the night before it was to have departed.

The airlane canceled on the grounds that the passengers were not members of a bona fide group allowed, under CAB regulations, to charter a plane.

Insurance Limit Set For Vessels

SAN FRANCISCO (AP)—Hundreds of chartered sports fishing and passenger cruise vessels were ordered yesterday to carry at least $110,000 of passenger liability and property damage insurance on each boat.

Chartered boats hitherto had been exempt from all regulation by the California Public Utilities Commission. The commission took jurisdiction under recent legislation.

The PUC said the insurance must be put into effect by June 30. The minimum coverage ranges from $110,000 for a vessel with capacity of from one to six passengers to $410,000 for ships carrying 100 or more passengers.

Common carrier vessels such as the steamship Catalina operating between Los Angeles and Catalina Island have operated under PUC regulations for years.

Probation Office Has Man Arrested

Charles K. Thompson, 21, no known address, was arrested by San Rafael police Monday in front of the Rafael Theater for failure to report to his probation officer.

Thompson was arrested on a warrant and placed in Marin County Jail under $5,000 bail. He was on probation after wrongfully using a credit card, according to Probation Officer Ernest Zunino.

Equality Group Urges Rumford November Vote

Members of the recently formed Marin Coordinating Council for Racial Equality voted Monday to send letters to legislators and Gov. Edmund G. Brown urging a November rather than a June 2 vote on the constitutional amendment to nullify the Rumford Fair Housing Act.

Rev. Karel F. Botermans, chairman of the council, said members last night agreed a November election, with greater numbers going to the polls, would give a more decisive answer on the proposed amendment.

The amendment has been brought to a vote by petitions sponsored by the California Real Estate Assn.

Next meeting of the council will be May 4, probably at the county courthouse.

$245 In Tools Stolen From Unlocked Shed

Theft of $245 worth of tools from an unlocked shed at 1359 Butterfield Road, Sleepy Hollow, was reported to Marin County sheriff's office Monday by Orlando F. Denning, foreman for A. Von Rotz building contractor in San Anselmo.

The loss occurred over the weekend, deputies said.

Caroline P. Goff, 791 Las Colindas Road, Terra Linda, told officers a tire and wheel, valued at $65, were taken from her car during the past two weeks.

Election Posters Protested

An appeal for equal electioneering rights in regard to posters and bumper strips on parked cars was made to the Mill Valley City Council Monday night.

In a letter to the council, John F. Caulfield of 351 Lovell Avenue said taxicabs bearing election posters or bumper strips having exclusive parking areas where there is no fee or time limit.

"At least one member of the Mill Valley City Council has an election poster or bumper strip appearing on taxicabs so parked," Caulfield wrote. He did not name the councilman.

Other candidates could not park a car with their posters in adjacent space without being subject to citation, Caulfield explained.

Councilmen said there was no violation of a city ordinance involved. Mayor Joseph E. Sheeks said advertising space on the cabs is available on a first-come, first-served basis.

Caulfield contended the taxi ordinance provision on parking interferes with a citizen's right to "equal facilities for freedom of expression on a public street."

Morton Probable GOP Keynoter

WASHINGTON—Sen. Thruston Morton, of Kentucky, probably will be keynoter at the Republican national convention in San Francisco in July, it was reported today by Independent-Journal columnists Robert S. Allen and Paul Scott.

All leading presidential candidates have indicated approval of Morton and barring a change in plans, his selection as keynoter will be announced shortly.

The former chairman of the Republican National Committee hoped to be designated permanent chairman of the convention, but has apparently lost out on that.

Committee insiders say two other party notables are under consideration for this post, Charles Halleck of Indiana, Republican leader of the House, and Oregon Gov. Mark Hatfield.

Like Morton, Hatfield and Halleck have running mate-ambitions. All of them aspire to be on the national ticket.

Eyes Tell When Mind Is Working

By DELOS SMITH

NEW YORK (UPI) — By his eyes you can tell whether a man's mind is wool-gathering or concentrating on the problem before him. If he's using his brain his pupils will enlarge.

This tip on how to read the human being with a close look if not at a glance comes from laboratory experiments of two psychologists seeking to prove that the eyes can be an index of mental activity.

Their subjects were four men and a woman, all of "better than average intelligence" as demonstrated by their college degrees. They were asked to solve, in their heads, problems in arithmetic.

While they did so their heads were held firmly in a well-cushioned brace. This was so a mirror would steadily reflect their eyes into the lens of a motion-picture camera.

The "frames" of the film were marked according to the stages of the problem-solving. Stage one was the command, "multiply 7 by 8." The next stage showed the eyes as the brain groped with that. The final stage was when the subject gave the answer.

Then came the next command and each succeeding command was progressively harder to obey. anyone can multiply 7 by 8 but even a doctor of philosophy has to work his brain to multiply 16 by 23 without recourse to paper and pencil.

The film with the marked frames later was projected on a screen where the diameters of the pupils could be precisely measured. This showed that as the problem was considered the pupils enlarged and reached their largest diameter just before the answer was found.

And as the problems increased in difficulty so did the range of pupil enlarging or, to put it another way, the harder the brain worked the more the pupils enlarged.

Drs. Eckhard H. Hess and James M. Polt of the University of Chicago reported these experimental results to the American Assn. for the advancement of Science. In previous experiments they had shown that pupil enlargement indicated whether a person was intersted in what he saw.

The more interested he was the more the pupils enlarged. It was demonstrated then and again in the new experiments that this was quite independent of the intensity of light which, of course, influences pupil size.

The old experiments left a question of whether pupil-enlargement indicated the novelty of what the eyes were seeing—like the often used statement that "so-and-so's eyes widened with surprise." The new experiments eliminated that, by showing enlargement marks the working brain.

The reporting scientists were confident of their results. They believed they had eliminated "any pressures, sense of competition or anxiety" which could have influenced the appearance of the pupils of their subjects.

Driver Fined

James Eugene Neighbors, 23, of 30 Lomba Vista, Novato, was fined $276 in Marin Municipal Court Friday for drunken driving. He was arrested by Novato police Feb. 21.

Sausalito Boy Admits Stealing From School

A 14-year-old Tamalpais High School student admitted to Sausalito police Monday he entered the office and classrooms at Richardson Bay School over the weekend and stole a school basketball trophy, a stapler, a box of rubber bands, and a bunch of marking pencils.

His method of entry was apparently using a pen knife to open the locks on the doors. His method of disposal of the goods was by dumping them into the bay.

The Sausalito boy was referred to the county probation department for a hearing.

Materials taken, estimated at $40 in value, were all dumped into the bay, according to Sgt. David Cooper, who traced and apprehended the boy.

Board Candidate Talks Tomorrow

Jess J. France Jr., of San Anselmo, candidate for the board of supervisors from District 2, will address the board of directors of the Marin Council for Civic Affairs at 8 p.m. tomorrow in Room 400 of the Marin Civic Center.

Directors also are scheduled to make plans for the council's annual membership meeting, tentatively set for April 16. Board chairman N. Robert Heyer said the session may be devoted to following up the recent conference, "Marin in the Bay Area."

Third item on the agenda is nomination of directors.

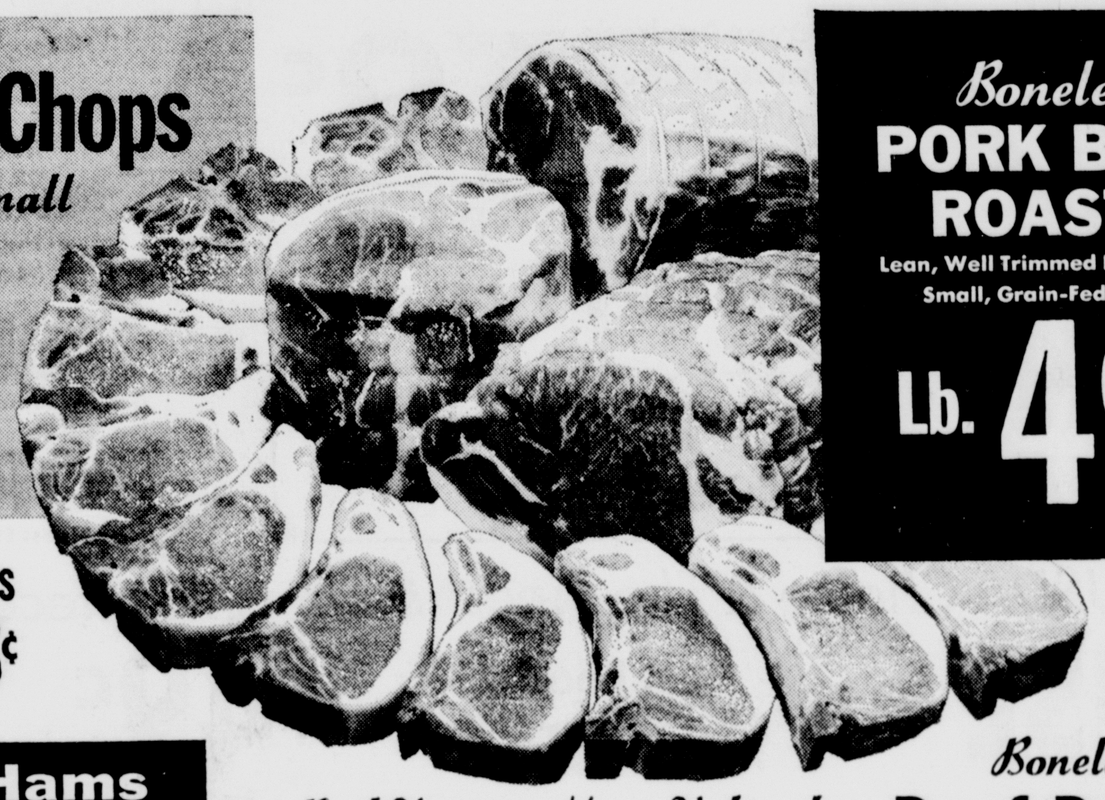

Sausalito Girl, 6 Injured In Fall

Cynthia Lilley, 6, daughter of Mr. and Mrs. C. A. Lilley of 411 Napa Street, Sausalito, was treated for a scratched leg by her family doctor Monday after she fell just short of a moving vehicle on Caledonia Street at 5:23 p.m.

Police said the girl came out in front of the car of Charlie Hall, 40, of Marin City, who was driving southbound. Hall slammed on his brakes just short of hitting the girl, who fell and scratched her leg.

Dolls Collected For Ugandan Tots

A group of Marin women are now collecting dolls throughout the county to send to another Marinite, Mrs. Frances G. Larson, who is now serving for a year in Kampala, Uganda, Africa, as the United Nations expert on family and child welfare.

THEY URGE MARIN families to search toy chests for unneeded dolls and stuffed animals of all kinds to be placed in child care centers and hospitals by Mrs. Larson for the Ugandan children. The dolls need not be dressed as the Ugandan women have volunteered to make clothing for them.

The deadline for collection is April, as shipping will take three months and Mrs. Larson wishes to distribute the toys before her year's work ends in September.

ORIGINATOR OF the project here is Mrs. Earl R. Pennington of San Rafael, Mrs. Larson's friend, who has undertaken to head the collection.

Helping her are Mesdames Elmer Welcher, collecting; Robert Marshall, storage and packing; E. W. Eggenberger, transportation, and Ross Shade, publicity.

Other groups assisting are the five cooperative nursery schools in the county, several San Rafael churches, Camp Fire Girls, Girl Scouts and Cub Scouts.

Marin Women

Sabra Brown Engaged To Wed William H. Johnston

Engagament of Sabra Wells Brown, kindergarten teacher at Tamalpais Valley School in Mill Valley, to William H. Johnston has been announced by her parents, Mr. and Mrs. C. Travis Brown of Larchmont, N.Y.

SABRA BROWN

The couple will be married on Aug. 15.

A graduate of Wheelock College, the bride-elect plans to continue in her position after she is married. She has one sister, Mrs. Melvin W. Searles of Saigon.

The future bridegroom is the son of Mr. and Mrs. W. Henry Johnston of Hartsdale, N.Y. He was graduated from Harvard and received a master's degree from the University of Pennsylvania's Wharton School of Finance and Commerce.

He is a transportation analyst in the bureau of transportation research of the Southern Pacific Co. in San Francisco. Renner Johnston of Hartsdale is his brother.

Israeli Styles To Highlight Hadassah Luncheon April 7

Latest Israeli fashions will be featured at the Hadassah Donor Luncheon and Fashion Show which will be held on April 7 at Peacock Gap Country Club by Marin Chapter of Hadassah.

Models will be Mesdames Russell Shatz, Gerald Hoyt, Scott Chadwick, Robert Sokolov, Jack Vogel, Seymour Ellison, Morton Rothman, Evan Goldenberg, Clare Harris, Leo Ross, Richard Firestone and Sanfor Masonek.

Mesdames Edward Finston and Ernest Silverfield are decorations chairmen.

Chairman for this event is Mrs. Earl Siegel assisted by co-chairman Mrs. Harry Schriebman. Models chairmen are Mrs. Philander Beadle and Mrs. Fred Wellen. Gifts chairman is Mrs. Richard Wagner and Mrs. Alan Goldstein is reservations chairman.

DANCING AN IRISH JIG

The Kennelly Step Dancers of San Francisco highlighted the entertainment at the St. Patrick's Day luncheon "Cabbages and Queens" presented yesterday by the Marin Catholic Women's Club at Dominic's Restaurant in San Rafael. Opening with an Irish jig are Step-Dancers from left, Kathleen, Frank and Maureen O'Rourke. Mrs. Lawrence Murray was chairman for the event and Mrs. Mel J. London was commentator for the fashion show. (Independent-Journal photo)

MARIN'S SOCIAL WHIRL

Dorothy Hinshaw Honored At Luncheon, Bridal Shower

By FLORENCE DONNELLY

Dorothy Hinshaw, who will be married to Gregory Patent on Saturday, was honored at a luncheon and shower Monday at Sabella's by Mrs. Ralph C. Noah. Among the guests were Mesdames Robert Watkins, Ray Millzner, Hal Kipp, Sherman Peterson, Edward Brash, Dean Jennings, Robert Pumphrey, Don McLeod and Ben Young, as well as the future bride's mother, Mrs. Corwin Hinshaw and her sister-in-law, Mrs. Horton Hinshaw. The Horton Hinshaws are building a home in Tara Hills near Belvedere.

Other guests were Mrs. A. C. Daniels and her daughter, Susan, Mesdames Ernest Lion, Cargill Hall, Neils Eneveldsen, Joseph Patent, the future benedict's mother, who lives in the East Bay, and Mrs. Carl Stulle of Mercer Island. Mrs. Stulle is the cousin and house guest of Mrs. Noah.

Dorothy has also been entertained at a shower given by Mrs. Boris Zeleniak of Daly City, as well as a shower at which her classmate at U.C., Dianna De Lisle, was the hostess.

SHARON WORLUND, daughter of Mr. and Mrs. Elmer S. Worlund, San Rafael, is enjoying a busman's holiday. An airline stewardess, she flew to Africa, toured the northern part of the continent. After that she boarded a plane which took her to Athens to begin sightseeing in Europe.

SAUSALITO is the locale for much entertaining. Most of the parties are out of doors because of the warm weather. Mrs. John R. Metcalf entertained at a luncheon yesterday on the Metcalfs' houseboat. Guest of honor was Countess Guy de Beaumont of Paris, who is visiting friends in the Bay Area.

MR. AND MRS. GUY ROOP gave the first of a series of picnics at their home in Sausalito Saturday. The Roops are planning a trip to Italy during the spring and may take their four months old daughter, Angelica, with them.

THE NEWLY MARRIED Mr. and Mrs. J. Boatner Chamberlain sail on the Lurline Friday for a vacation in Hawaii. They will be several days in Honolulu and then fly to Maui for a 10 days stay at the Hana-Maui. They'll return to Honolulu and fly back to California from there.

CHANGING OFFICERS

Yesterday the Marin Florence Crittenton Circle elected new officers at the annual meeting at Peacock Gap Country Club, when North Baker, national board member of the Florence Crittenton homes, left, was the featured speaker. Welcoming him are Mrs. Albert F. Roller, vice chairman, and Mrs. Gerald Elbert Jr., chairman. Other officers are Mesdames William D. Epstein, recording secretary; Robert Marquis, corresponding secretary and Don Sternloff, treasurer. (Independent-Journal photo)

MUSIC CHEST TEA MARCH 31

The tea to launch the Marin Music Chest subscription drive for the summer concert season will be held March 31, not 21 as reported yesterday. The members will gather at the home of Mrs. Russell Smith in Ross to receive subscription supplies and final instructions for the drive.

The program will be played by Eden Vanning, violinist and one of last year's Music Chest scholarship winners.

Folk Dance Teacher To Be Honored Guest

Marin County folk dance teacher Mrs. Skip Clippinger of Terra Linda will be honored at the Hardly Able folk dance party on Saturday in Mill Valley's Almonte Hall.

Refreshments chairmen for the party are Mr. and Mrs. James Greer and Mr. and Mrs. Jack Hill of Marinwood.

Marin To Hostess Golden Gate Meet

Marin County's Federated Women's Clubs will be hostesses on April 15 and 16 at the eighth annual convention of the Golden Gate District of the California Federation of Women's Club.

More than 250 delegates from the 41 affiliated organizations in the district comprising San Mateo, San Francisco and Marin counties are expected to attend the convention at the Edgewater Inn in Corte Madera.

MARIN HOSTESS clubs are the Larkspur Women's Club, Corte Madera Improvement Club, Sausalito Woman's Club and the Tamalpais Center Woman's Club.

Convention chairman Mrs. Arthur Luchetti of Corte Madera is being assisted locally by Mrs. Harold W. Myers of Larkspur, coordinator. Mrs. Donald Denton of Larkspur is in charge of amenities, and Mrs. William B. Newman of Tiburon is publicity chairman.

Highlight of the assembly will be presentation at the Thursday luncheon of awards to those clubs which have been particularly effective in furthering community interests.

Mrs. Edwin F. Bryant, first vice president of the state federation, will be honored guest and will give the principal address at the awards luncheon.

DISTRICT PRESIDENT Mrs. Albert Crichton will open the convention at 9 a.m. Wednesday. During the day district chairmen and club presidents will report on the year's club activities, and officers will be elected.

AT THE NOON luncheon honoring junior members, featured speaker will be David Fogel, superintendent of the Marin County Juvenile Hall, who will describe the proposed residential treatment center in Lucas Valley.

During the installation banquet Mrs. W. H. Harness, state vice president at large, will install officers for the 1964-65 term.

MRS. LUCHETTI has been nominated for first vice president, and Mrs. Lewis E. Deu Pree of the Tamalpais Center Woman's Club for auditor.

In addition to business there will be "fun-time" too, according to Mrs. Luchetti, who said that skits, musical interludes, tours and a reception have been planned to entertain delegates.

CCPT District Will Meet Tomorrow At Petaluma High

The Fourteenth District California Congress of Parents and Teachers, including Marin, will meet tomorrow at Petaluma Senior High School. Registration will begin at 6 p.m., with dinner served at 6:30 p.m.

Exhibits will be on display by the department of education, and Mrs. Robin Galloway of Kentfield, president, will conduct the meeting.

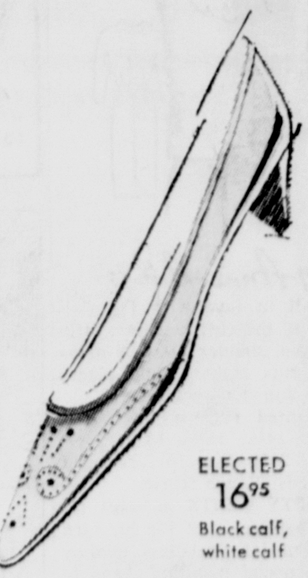

The program topic will be "What Do We Expect From Our Public Schools?" The speaker will be James E. Stratten, president of the San Francisco Board of Education.

Installation of officers will be held, with Mrs. W. L. Norton of Petaluma officiating. Mrs. Dale Moore of Petaluma will become president for the 1964-66 term.

A Really Fur-Out Exhibition Of Art

By GAY PAULEY

NEW YORK (UPI)—Art exhibited at one New York gallery properly could be called fur out.

It's an exhibit by contemporary artists working with fur alone or in combination with other materials such as oils. And what they've done with some of the furs would make a mink shrink in his pale beige mutated pelt.

A female nude, painted by Ben Johnson, is elaborated on by another artist, Man Ray. The elaboration: sort of a G-string without the string. Done in black mink.

ONE OF FIVE fur coats which the artists have used as basis for paintings for the exhibit features a nude also. The Paris artist, Escobar Marisol, started with a conventional coat in white calf, then painted across its front the anatomy of a female in shocking pink. Turn the coat around. Back view of the female in same color.

Use of fur in art is not new. Meret Oppenheim lined a teacup with mink in 1936 and it's currently at the Museum of Modern Art.

OPPENHEIM'S CUP was not available for the show at the Allan Stone Gallery, so Jacques Kaplan, an art collector and president of a furrier, lined a teacup and saucer with what he called "the latest, most fashionable shade of pale blonde mink." He named it "Homage to Oppenheim."

It was Kaplan who originated the idea of the furs-in-art show. Stone, father of four small girls, a Harvard graduate who practiced law until he opened the gallery three years ago, went along with the idea because "we've always shown a lot of advance art."

"We did the show for fun . . . sort of tongue in cheek," said Stone. "But people are buying."

Mrs. Robert McGuinness was named festival coordinator and Mrs. Kenneth Rankin, fund-raising chairman. Mrs. Charles Francis is press chairman.

This Spring's pump is different! Like our Town & Country "Expose" above. With cut-outs to expose a pretty foot . . . a flattering curved vamp . . . a tiny arched heel that's all curve. Glimmering, glittering patent . . . cherry red or black. Also the very new platinum kid.

Novato Newcomers President Enjoys Meeting New People

The new president of the Novato Newcomers Club enjoys meeting people, which will help her in her work, since the ultimate purpose of the organization is to help newcomers get acquainted while promoting friendship.

Mrs. Edmund K. Swan, the new president, is the wife of Chief Warrant Officer Swan of Hamilton Air Force Base. They have two children, Bonnie, 13, and Richard, 9.

As wife of a serviceman, she has lived in Tripoli, Goose Bay, Labrador; Seattle, Denver and Tacoma.

She received her bachelor of science degree at the University of Iowa and has worked as a secretary, administrative assistant, accountant and teacher.

Music and traveling are also on her list of interests, and since coming to Marin County six months ago, she has joined the Novato Presbyterian Church, where she is piano accompanist for the Novato Women's Choral Group. She is also music leader for Cadette Troop 2063, Girl Scouts.

A strictly social group, the Newcomers enjoy bridge, bowling, knitting and a monthly luncheon. A new activity for the members is the "playgoers." They will attend plays and concerts as a group.

MRS. SWAN

Anyone living in Novato less than two years is eligible to join the club, Mrs. Swan said.

The installation committee includes Mesdames Wilfred Waldrop, Norman P. Tropf and John H. Bryant.

Other officers installed with Mrs. Swan include Mesdames Junius Thomson, vice president; John D. Sloat, secretary; Daniel R. Porter, treasurer; and chairmen, Mrs. Tarrell Tipton, Mesdames P. Morris Burgess, hospitality; Nathan D. Kaufman, membership; Miles Dick, membership; Wilfred Waldrop, publicity; John H. Bryant, remembrance; Donald P. Spagnolia, reservations, and John M. Fraser, transportation.

Judith Carole Cox Recites Vows With William Cantrell

The Post Chapel at the Presidio in San Francisco was the setting for the wedding Saturday of Judith Carole Cox to William Dawson Cantrell of San Francisco.

The bride, who is the daughter of Mrs. Ardis Tillman Cox of Kaweah and the late Lieutenant Colonel Cox, was given in marriage by her uncle, Elbert Mead. She wore a floor-length gown of candlelight brocade.

Mrs. Ted Ballas of San Francisco was her matron of honor, wearing a white lace over aqua taffeta dress.

Susan and Sonia Cantrell were the flower girls. They are daughters of the bridegroom by a previous marriage. Douglas Cox, the bride's brother, was the ring bearer.

Gene Phares of Mill Valley was the best man, and Tom Corridan of San Francisco ushered.

A reception at Fort Scott Officers Club followed the ceremony. The couple will live in Fairfax.

The bride was graduated from Seton School of Nursing in Austin, Tex., and is a nurse at Marin General Hospital.

Mr. and Mrs. Larry J. Cantrell, of Forest Park, Ga., are parents of the bridegroom. He was graduated from Sacramento State College and is employed with an insurance firm in San Francisco.

U.S. REPORT AFTERMATH

Tobacco Dealers Cautiously Admit Sales Down In Marin

By ALAN CUNNINGHAM

Marin County tobaccon dealers are cautiously admitting that cigarette sales are down, an Independent-Journal telephone survey showed yesterday.

At the same time, several indicated they are having considerable difficulty stocking certain brands of "mild" cigars, which some people — including a few women — have begun to smoke instead of cigarettes.

Of a dozen dealers queried, only three said they saw no change in sales of cigarettes, cigars or other tobacco items since publication of the United States surgeon general's report linking smoking with lung cancer.

All the others agreed the controversy had, in one way or another, affected the smoking habits of their customers. Six said sales of cigarettes had gone down.

Since relatively few dealers in Marin sell any quantity of pipes, it was hard to be certain how much pipe smoking has been affected. But several dealers reported increases in the sale of cigars, particularly the small, wooden-tipped varieties.

One dealer selling pipes, Winton's News and Liquor in San Rafael, said pipe sales were up "quite a bit," and had wiped out their normal supply for a few days immediately after the much publicized report was released.

Several dealers said one specific brand of cigar, "once a slow seller," was so popular that in one man's words "everybody is having a hard time keeping them in."

Although few dealers were willing to estimate percentages of change, the Redhill Liquor Store in Mill Valley guessed its cigar sales had increased by 50 to 60 per cent. Another Mill Valley outlet, Harbor Liquor and Grocers, said the demand for cigars was up by "a considerable amount, perhaps as much as 25 per cent."

One dealer declined to concede that fewer cigarettes were being sold, but said many people were switching from non-filter to filter brands.

Another quipped that "some people gave up smoking, and some people gave up reading the smoking report."

And what of those women cigar-smokers?

"You would be surprised," said a San Rafael liquor dealer, "how many wowen are smoking those little, tipped cigars!"

'Voting Facts For County' Is Revised

Publication of a revised, up-to-the-minute "Voting Facts for Marin County" has been announced by Mrs. Russell C. Wilson of Fairfax, voters' service chairman of the League of Women Voters of Central Marin.

The pocket-size pamphlet includes information on how, when and where to register throughout the county, as well as instructions for new residents and for obtaining absentee and emergency ballots. An insert page lists pertinent dates and the major offices to be filled in elections in 1964.

"Voting Facts" was prepared jointly with the League of Women Voters of Southern Marin, and will be available from all voting registrars. Many Girl Scouts will assist in distributing the booklets to newcomers.

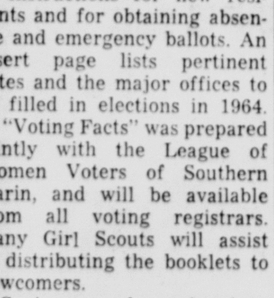

Copies may be ordered in quantity from Mrs. Wilson or Mrs. William C. Anderson, president of the league.

Pamphlets are also obtainable at Citizens Federal, Marin County, Northwestern and Tamalpais savings and loan associations.

Aboard Destroyer

Patrick R. Hine, Navy interior communications technician second class, son of Mrs. J. E. Hine of 124 Stanford Avenue, Mill Valley, is serving aboard the destroyer Stickell, operating out of Newport, R.I.

Nurse Class At College To Be Asked

Establishment of a registered nursing course at College of Marin will be asked of the Marin Junior College District board at its meeting at 8 p.m. tomorrow in room 24 of Harlan Hall on the College of Marin campus.

The program was one of the recommendations contained in the James A. Hamilton Associates report to the Marin Hospital District. It would be carried out jointly by the college and the hospital.

Also on the agenda is the renaming of the proposed Student Center to "College Center," which is in keeping with the current practice being carried out by other colleges and universities, according to College President Stephen E. Epler.

The board will hear a report on progress toward a Bolinas marine station, the architect's work on the music-drama building and the need for filling more areas for physical education facilities.

The first complete journey along the now famous Santa Fe Trail was made by Pedro Vial in 1792.

Air Insurance Minimum Ruled

SAN FRANCISCO (AP)—California commercial plane operators must provide a minimum of $50,000 insurance for each passenger, the State Public Utilities Commission ruled yesterday.

Each plane operator must file evidence of insurance by June 30, the PUC said.

The new law, prompted by the 1960 crash of a chartered plane in Toledo, Ohio, in which 16 members of the California State Polytechnic College football team lost their lives, was passed at the last session of the legislature.

Airman Wins Non-Com Drill Masters Award

M/Sgt. Ernest T. Schosso of the 78th Armament and Electronics Maintenance Squadron, won the drill master award at the Non-Commissioned Officers Academy graduation at Hamilton Air Force Base.

He was one of the 78 members of the second graduation class from the academy to receive diplomas at the Non-Commissioned Officers Open Mess at Hamilton.

The 11 million cubic yards of concrete used to construct the Grand Coulee Dam would build a four-lane highway from San Francisco to St. Louis.

Two Drunken Drivers Fined

Two Marin County men were fined Monday in Marin Municipal Court for drunken driving.

Deanieel Peter Van Tiel, 38, Lincoln Hotel in San Rafael, was fined $276 and sentenced to five days in Marin County Jail. He was arrested by San Rafael police last Nov. 24 and had a prior conviction.

John Preston Irwin, 33, of 90 Corte Placida, Greenbrae, was fined $166. He was arrested by California Highway Patrol Saturday.

U.S. Jobless Pay May Be Suspended

Federal unemployment benefits for former government civilian employees and former members of the armed forces may be temporarily suspended soon due to a depletion of funds.

Manager Edwin W. Ayer of the San Rafael office of the State Department of Employment, said state unemployment benefits would not be affected.

Claimants should continue to report and certify their unemployment even if the payments should be suspended, Ayer said. If they do, the money missed will be given them when the additional funds are allocated.

From 70 to 80 drawing federal benefits would be affected if the suspension must be made.

Rep Hosmer Has Plan For Saving Money In Navy

WASHINGTON (AP) — Arguing for retention of naval shipyards, Rep. Craig Hosmer (R-Calif.) contended yesterday that returning of naval ships to their home bases for repair saves the government money.

This is true, he said in a letter to the Secretary of the Navy, even though the repair work would cost slightly less in private shipyards.

It costs, he said, $7,000 to train and equip a replacement for each sea-going Navy man who fails to re-enlist.

On the basis of an independent survey showing that work on 247 repair jobs over a three-year period would be $437,700 cheaper in private shipyards, Hosmer said:

"If sending the ship to a Navy yard where men can be reunited with their families on return from long overseas duty — instead of to some other shipyard away from home — encouraged only 63 more men to re-enlist, the savings on ship costs would be entirely wiped out by savings on personnel costs."

Bomb North Viets, Ex-Envoy Urges

PHILADELPHIA (AP) — Dr. Tran Van Chuong, former ambassador from South Vietnam to the United States, says the United States should bomb strategic targets in Communist North Vietnam.

Among other things, he said, it would prove that the United States is a tiger with teeth — not a "paper tiger," as Communists claim.

In a speech at St. Joseph's College in Philadelphia, Chuong also said such attacks would improve the morale of South Vietnamese in their fight against Red Guerillas.

First All Vehicular Tunnel For Alps Open For Traffic Tomorrow

Grand St. Bernard Pass, Italy (UPI) — The first all vehicular tunnel through the Alps between Italy and Switzerland will open for traffic this Thursday, climaxing a five-year project that must rank among the great feats of modern engineering.

The first trail across the Grand St. Bernard Pass was blazed by conquering Roman legions more than 2,000 years ago. Other armies, merchants, pilgrims and tourists used the same route which climbs to an altitude of 8,113 feet during the summer months when it wasn't blocked by snows.

Ticket No. 1 for the semi-official opening of the 3¾ mile tunnel will go to Gian Battista Farina, Italy's top car designer. He will drive from Italy to Switzerland in a specially-built Fiat which he will deliver to the officials of the Swiss National Fair in Lausanne.

The still-unfinished seven-mile-long Italy-France Mount Blanc Tunnel a few miles away and the new St. Bernard route eventually will save motorists millions of miles in travel between Central Europe and the North Italian plains.

The 16 million-dollar tunnel, which took three years to build and cost the lives of 10 workmen, was blasted to completion on April 5, 1962, when 880 tons of dynamite shattered the last wall of rock between the Italian and Swiss sides. Construction of the road inside the tunnel and necessary facilities took another two years.

It will be the first road tunnel through the Alps to go into operation. It will lop 137 miles off the Paris-Rome route. The St. Bernard Tunnel cuts distances between Italy and major cities of Central and Northern Europe by comparable amounts.

The Italian entrance to the St. Bernard tube is at an altitude of 6,151 feet near the village of St. Rhemy, 15 miles north of Aosta. The Swiss entrance is at an altitude of 6,202 feet. There are two lanes—12 feet 4 inches wide—and it can handle about 500 cars an hour.

On each end of the tunnel are segments of superhighways—about six miles long on the Italian side and four miles long on the Swiss — which are mostly covered for protection against possible landslides.

Italy's new austerity program is holding up completion of a superhighway link all the way to the tunnel entrance from Aosta.

The tunnel will be formally inaugurated in late May in ceremonies attended by the presidents of Switzerland and Italy.

McCarthy Names Raymond Shone Re-Election Aide

Sen. John F. McCarthy announced the appointment of Raymond H. Shone, San Rafael attorney, as chairman of his campaign for re-election to the State Senate.

"Roy Shone has been an active leader in community organizations and is a past state grand president of the Native Sons of the Golden West. I am happy that he will once again lead my campaign effort, as he has done in the every past election," said McCarthy.

McCarthy was first elected to the senate in 1950 at age 26, the youngest man to be elected a state senator in California. He has been in office since.

"In view of Senator McCarthy's unblemished record of accomplishment for the people of Marin County, regardless of political affiliation, I am confident that the people of our community will re-elect him to the State Senate by another overwhelming vote," Shone predicted.

Orchid Mealy-Bug Topic Of Meeting

County Agricultural Commissioner Richard T. Straw will talk about the eradication of the orchid mealy-bug at a meeting of the Marin Orchid Society at 7:45 p.m. tomorrow at Crocker-Citizens Bank, 735 Center Boulevard, Fairfax.

Robert Garvey and Jules Rodieue of the Department of Agriculture will discuss virus in orchids, and insects and insecticides.

Readers Are Called Above Average

San Jose Board Hears Report From Teachers

San Jose School District students are above average readers, teachers reported to district trustees Monday night.

Neill Whitman, resource teacher, was assisted by eight other teachers in making the report.

The committee said the San Jose District schools had a minimum of slow readers. Those they thought were slow were actually about average readers, they said, and those they thought were average were above average.

The teachers tie the reading program in with other programs to gain the interest of the students, Whitman reported, and try to get the pupils interested in reading good literature.

FUTURE SITES

The board decided to select a seven-member committee to make recommendations on future school sites. William Vandergriff was named board representative to the committee. Three staff members and three citizens will be selected at the next board meeting to complete membership.

Mrs. Nancy Laden and Susan Wilsey were hired for elementary school teachers and Mrs. Elaine Post for San Jose Intermediate School for next year.

Supt. Ralph Giovanniello reported noontime supervisors would be paid out of operating funds in the future instead of the Civic Center funds as in the past. He said he was awaiting a decision from the county counsel as to whether the change should be retroactive.

OPEN HOUSE

Open house dates for Public Schools Week were announced by Giovanniello. They are from 7:30 to 8:30 p.m. at each school. Pacheco School will be April 20; Meadow Park School, April 21; Lynwood and Loma Verde schools, April 22, and San Jose Intermediate, April 23.

Responsibility for solving the drainage problem from South Novato Boulevard onto the Lynwood School yard will be decided by the Novato city attorney and the county counsel, the board agreed. During heavy rains, the runoff from the street goes onto the school yard, creating a problem, Giovanniello said.

John L. Musio and Neill Whitman were named principals for the summer school.

Trustees approved an agreement with Sonoma State College for student teachers next year.

Udall's Water Plan Opposed

LOS ANGELES (AP) — Directors of the Metropolitan Water District unanimously oppose the Pacific Southwest Water Plan proposed by Secretary of Interior Stewart L. Udall.

The directors yesterday adopted a statement which said the plan would result in abandonment of the Colorado River Aqueduct.

They said that although the principle of a regional plan was a good one, rejection of the Colorado River Project would result in loss of an "indispensable source of water for the nine million people of this district."

BAVARIAN

Such is the style of this family sized home where 3 different rooms have tall cathedral ceilings. Truly a large home and flexible too. Designed as 3 bedrms. PLUS, it could easily be arranged as FIVE BEDRMS. if you like. The finest of carpentry is illustrated by walls of interesting resawn redwood. Of course, the builder has installed the finest modern fixtures in the kitchen and both baths, and even a separate laundry room is provided. Perhaps best of all, is the perfectly level lot which ends in a tree-studded area, perfect for children's active play. Truly a space bargain with country atmosphere and charm throughout. Will be finished in a week or so, but is ready for your perusal NOW, and available for purchase at $34,900.

We'll tell you
the age of
our used VW's

(But you don't have to tell a soul)

Volkswagens don't give away their age. They look the same year after year. Other reasons why they're such good buys: The money you'll save on gas, Oil, Tires. The biggest difference between a new and used VW is the owner.

"The TV dinners will be out of the oven in a minute."

'Halfway House' Meeting Slated

Two California mental health officials and the assistant director of a treatment center near Denver will be featured speakers at the three-day workshop on psychiatric "halfway houses" March 30 through April 1 at the Alta Mira Hotel in Sausalito.

Keynote address will be delivered by Dr. James Peal, assistant supt. of Stockton State Hospital, while Dr. Donald T. Brown, regional chief of mental health services for the state's mental hygiene department, will address a lunch the last day.

Speaker at the March 31 banquet will be Dr. Ethel M. Bonn of the Fort Logan Mental Health Center in Colorado.

The workshop, which will draw its participants from throughout the west, is being sponsored by Conrad House of San Francisco.

San Anselmo School Bond Issue Backed

The League of Women Voters of Central Marin has voted election in San Anselmo on April 14, Mrs. William C. Andersoi, president, has announced.

The bond issue, for $70,000, and a state loan fo $500,000 will be used to construct a new school in the San Anselmo Elementary School District and for additions to two existing schools.

Partnerless Parents Due Talk On Family

Dr. Joseph P. Gustadt, San Rafael psychiatrist, will address the Marin chapter of Parents Without Partners at 8 p.m. tomorrow at West End School in San Rafael. Doctor Gutstadt's remarks will be based on the query, "Does the happy American family exist?"
